

COUPLES TOUR TO HISTORIC CENTRAL PA

(limited to five couples)

Saturday & Sunday, June 13th & 14th

In vintage motorcycling, it is often the case that the trip is primary and the destination secondary. This is especially true when the ride provides quality time to be with your significant other. Bikes for this tour will be chosen to comfortably accommodate your pillion passenger, and your tour guide will drive the sidecar rig, carrying all your luggage. Daily mileage will peak at 150, stops at points of interest will be frequent, food and lodging will be upscale. You will feel pampered. The route will follow back roads – no highway– and includes some of the best and most scenic motorcycle roads in PA, or anywhere for that matter.

Regarding the destination, the Lewisburg area boasts many fine restaurants and a cute, historic downtown featuring many fine shops and interesting architecture.

On the way home, if river conditions permit, we will cross the Susquehanna on the oldest continuously operating ferry service in the country, SWEET, and cap off the weekend with a gourmet meal right here in Kennett Square.

**The bikes: 1976 Honda Gold Wing 1,000
1974 BMW R90/6
1970 Triumph Bonneville**

**1976 Moto Guzzi S50T3
1978 Honda CX500
1977 BMW R100S/EML**
