

RESOLUTION 37

BE IT RESOLVED, on this 13th day of August A.D. 1993, that the Commissioners of the Town of Dewey Beach go on record as expressing their opinion that the access road to Silver Lake Dunes enter from the City of Rehoboth Beach and not from King Charles Avenue.

The Basis for this opinion is that construction of a Road access to King Charles Avenue:

- 1) Would substantially interfere with existing residential uses,
- 2) Would interfere with the wetlands and existing natural features of the area,
- 3) Could create potential serious safety hazards at the entrance to King Charles Avenue.

This Resolution was moved and adopted by a majority vote of the Commissioners meeting on August 13th, 1993.
