Town of Dewey Beach,

Please allow this letter to memorialize DBE's commitment to comply with sections H,I and J of the MAR.

DBE is currently in negotiations with local dance and theatre companies as well as a local yoga school to provide space, when available, to them from September 16 to May 16 annually.

Attached is a list of events that we will work with in the future, so they will be informed that we may have space available to work hand in hand with their events which would offer more opportunity for Dewey families to participate.

DBE will work with the Town Manger to update the Town on the progression of these items.

Regards,

James E. Baeurle  
DBE
