

Julia Balfour, LLC has been recognized by the East Haddam EDC and East Haddam Business Association as the August 2018 Business of the Month. Originally located in Lyme, CT, on the 5th anniversary of being in business, Julia Balfour purchased her current location at 3 Norwich Road in East Haddams village area and began renovating the property to make it a true showplace. She now houses her business Julia Balfour, LLC an Integrated Digital Agency with its 25 employees at this location. East Haddam Village businesses are enjoying increased commerce since Julia came, possibly due to the new beautification of the area as well as more people working in the village who are within walking distance.

As the property across the street became available Julia purchased it and again renovated and remodeled the older property making way for her Jul Yoga Studio where the classes are under the direction of Yogini Emrys Tetu. These daily based community classes are offered on a donation basis. She has plans for that building to house a retail shop and several apartments on the upper floors. Bringing joy to her community is essential to Julia and she has started the Jul Gives Foundation. In the spirit of community, Julia and her staff partnered with Scully Landscape Design to plant and beautify the triangle garden around the Nathan Hale Statue! Julia has plans to further invest in buildings in East Haddam and further renovate and beautify the village area.
