

Nathan Hale Pharmacy is the East Haddam Business of the Month for January 2019.

It is with much admiration and appreciation from the community that we honor the business that Jack Herman built.

Nathan Hale Pharmacy was started back in 1972 by Jack and his wife Harriet. Mere words can't express the role our local small town Pharmacy has played in the lives of so many in this community.

On any given day, a trip to this wonderful gem will have you seeing your neighbors, finding answers to your questions by the pharmacists, and a shopping venture that ranges from gifts to groceries, toys and health & beauty aids. The needs of our small town have been met well over the years and we can't thank Jack enough for always providing for the community.

His generosity and community spirit are legendary. Current management plans to continue this tradition and carry on serving the community in the same way Jack did.

Thanks Nathan Hale Pharmacy; it's great to know you are there for us! If you have any questions stop by and see Dan Tavares, Pharm D - Pharmacy Manager.

Nathan Hale Pharmacy, 26 Falls Road, Moodus, CT 06469 860-873-1481
