Dear Sir or Madam,

We are writing this letter in response to your interest in our Good Morning Program. We started this program for the City of Bath in January 2005 and it has been a success from the start. It not only serves a good purpose by allowing folks like you living independently to have the ability to have someone looking after you each day; it also allows peace of mind to your neighbors and loved ones, knowing that Bath PD is taking notice of your well being each and every morning.

All it takes is one daily phone call, made by you to our phone number, 443-5563, between the hours of 8am to 10am. If we do not hear from you by 10 am, we follow up with a phone call to you. If you do not answer your phone, we call one or more of your contacts to check up on you. If this is not possible, we will send a police officer over to your home to check on you to make sure all is well.

Even those on Lifeline have benefited from this program. Both Lifeline and the Good Morning Program can compliment each other. One can be used as an unobtrusive daily check and the other stands well on its own in its use for emergencies. The Good Morning Program in Bath has even given aid and saved lives in its short existence, as has Lifeline.

We would love to have you join the Good Morning Program! If you have the time and would enjoy starting your day with a friendly voice on the other end of the phone line, please fill out the application and either return it by mail or call for it to be picked up by a Bath PD officer or employee. If you have any questions, please do not hesitate to call the Bath PD and speak with the officer who gave you this application, or to the Chief, or to Cindy. We look forward to hearing from you.

Yours sincerely,

Michael W. Field

THE GOOD MORNING PROGRAM

WHAT IS THE "GOOD MORNING" PROGRAM?

"Good Morning" Program is a telephone reassurance program. This program is for older adults or adults with disabilities that live alone and are at risk of sudden illness, falls, accidents and social isolation.

IS THERE ANY CHARGE FOR THIS SERVICE?

No. This is a free service provided by the Bath Police Department. It will be available to older and disabled adults living in the City of Bath.

HOW DOES THE "GOOD MORNING" PROGRAM WORK?

Each morning between 8:00 a.m. and 10:00 a.m. the participant calls the Bath Police Department representative to say "good morning." A trained representative will take your call. If you fail to call, the program representative will follow the prearranged procedures. This may include contacting the participant's backup person or dispatching a police officer to check on the participant if necessary.

HOW CAN I PARTICIPATE IN THE "GOOD MORNING" PROGRAM?

You may call or stop by the Bath Police Department and complete the enrollment application and waiver. A letter with the guidelines for the program will be given to you. Expect to make a daily call to the "Good Morning" program representative.

ARE THERE ANY RESTRICTIONS REGARDING WHO CAN PARTICIPATE?

You must be a resident of Bath. You must be 60 years of age or older or an adult with disabilities of any age; live alone; and you must agree to make a daily telephone call. You must agree to let us know when you plan to be away.

WHAT IF I HAVE A LIFELINE?

The "Good Morning" program is a great compliment to Lifeline because you make a daily telephone call to the Good Morning Program Coordinator. Lifeline is a separate program for emergencies such as falls or accidents, or health problems requiring emergency assistance.
