- 2. Pledge of allegiance:** was led by Chairman Koskelowski

Attorney Proto-I spoke with Union Attorney Bento and tonight we will only be letting you know the conversation we had, the time frame and progress we are making, there have been some various options laid out, we are all in agreement that Inspector DeNigris and the Union need some time to evaluate those options, they need some financial information in order to make the best decision, give them the two weeks to come back to us with an option and if not then the commission will have to take whatever action it thinks is appropriate.

Union Attorney Bento-Attorney Proto, Attorney LeClerc and I have been looking at different options, different concepts, right now we are waiting to get some numbers back, some different information, maybe we can come back in two weeks to report back, the parties are talking and trying to reach a consensus.

Town Attorney LeClerc-there is a proposal that was made by the Inspector that the Town is reviewing to see if it can be done, what the cost would be to the Town and what approvals will be needed-working on this with the HR department.

Chairman Koskelowski-Attorney Proto can you please advise each of the Board members of what proposals have been made so each Board member knows exactly what is happening.
