ITEM #3: Public comment regarding proposed changes to the Seymour Town Charter and the draft report of the Charter Revision Commission.

Patrick Lombardi, 149 Derby Ave, Chairman of the Charter Revision Commission, stated that the Charter Revision Commission is pleased to present their draft and proposed revisions to the town charter for the Board of Selectmen's consideration. They have met over 2 dozen times over the past 12 months. Together they have considered the recommendations that were presented to them by the Board of Selectmen. They solicited input from each of the boards and commissions regarding the sections of the charter that pertain to them. The approach that the commission took was to review the charter from front to back. The goal of each discussion among the members of the commission was to arrive at a consensus which they did unanimously on every item they are proposing. It is their hope the board will carefully consider the draft of proposed revision and move them forward by consideration for the voters at the November 2019 election. The Charter Revision Commission appreciates the faith they put in the members of this committee.
