Seymour Town Engineer - Bryan Nesteriak

## SEE THIS SIDE FOR INSTRUCTIONS AND CONDITIONS

Rev. 9/2019

### Instructions

- Applications **must** be submitted to the Office of the Building Inspector.
- Applicants are responsible for scheduling inspections with Town Engineer (203) 881-8145. • Applicant must contact Seymour Police to coordinate traffic control
- The issued permit shall be a copy of this application signed by the Director of Public Works or Town Engineer
- Certificate of insurance, copy of license and certificate of bond (\$10,000) must be provided with completed application.

### Conditions of Permit

- 1) The Town Engineer **must** be notified **48 hours** in advance of the start of any work authorized under this permit, (203) 881-8145.
- 2) Work authorized under this permit shall **not** commence **until** the second day following the date of issue.
- 3) This permit is valid for ninety **(90)** days after its date of issue.
- 4) Compaction equipment is **required** to be on site at **all times** and shall be utilized during all backfilling operations.
- 5) The permittee shall **notify** the Town Engineer's office when the trench will be ready to backfill, and wait for the inspector to arrive before backfilling any opening in a right-of-way. Any backfill placed in the absence of the inspector shall be removed and replaced to the satisfaction of the inspector.
- 6) The **permittee** is **responsible** for maintaining the temporary pavement until all settlement has ceased and the permanent pavement has been installed. The Town will notify the permittee of the installation of the permanent pavement.
- 7) The **permittee** is **responsible** for maintaining adequate traffic control devices throughout the excavation period.
