Item #5: Projects

The committee discussed the path forward we would like to take. Given the success of the last clean up event, a second, earth day clean up will take place on Saturday, April 11th. Location will likely be the riverbank by the community center. Event will be advertised on the town's social media outlets.

The town newsletter will be sent out in March and the committee is writing a paragraph to be included.

The committee discussed an expansion to the current community garden or starting a second community garden run by the town. In support of this idea, the committee would schedule public speakers on gardening.

Item #6: Public comment

There was no public comment.

Item #7: Open discussion

The committee discussed bringing in speakers to future meetings to become more involved in the community. Suggested topics included the Farmer's Market, members of the Arts and Culture committee, and several of the downtown shops.

Item #8: Adjournment

Motion: Stephan Behuniak

Second: Dustin Zrelak
