

Dear Friend of Family Promise,

Please join us as we celebrate the 2nd annual Bed Race to support Karl's Place Saturday, **October 6th**. Teams of work colleagues, church volunteers, sporting groups and many more will build, purchase or borrow beds, put them on wheels and race! You can choose to put a team together or to provide sponsorship for our event. Family Promise is building awareness of our emergency shelter, warm beds and supportive services that we offer to individual men and women struggling with homelessness right here in Washington County.

In our first year, Karl's Place raised funds to help construct the shelter which opened in February 2018. This year, the real building has just begun! Since the opening, the emergency shelter has been full where the need is great in our community. Please help us to grow community support and provide shelter for those individuals that are in need.

The "Donut Dashers" of the West Bend Police Department are the reigning 2017 champions and hold the coveted traveling Bed Post trophy. This is *your* chance to compete to win the trophy and leave the "Dashers" at the donut shop. 🍩

Family Promise Karl's Place is looking forward to your commitment. See you at the Bed Race!

Lori Prescott
