### MID-MAY: Township Road Repaving Projects begin

As the construction season begins, so do township road repaving projects. You'll find a [list](#) of affected streets in Township News. "Any paving project is going to cause disruptions and inconvenience," said Public Works Director David J. Modricker. "There will be times when you won't be able to pull into your driveway. But we want to reassure residents we will notify you when access is restricted and try to keep all roads open to traffic."
