Leaf collection safety: Please ensure that children are not playing by the roadway

The Ferguson Township Police Department is advising residents who are preparing leaves for leaf collection to ensure that children are not playing in these piles by the roadway. Children who are jumping in leaf piles may be playing unseen behind them or tunneling inside them. This can pose a danger as vehicles pass on the roadway. Parents and caregivers: Please take extra care to ensure children's safety as leaf collection trucks make their way through your neighborhood. The Township appreciates the cooperation of all residents in keeping children safely away from our roadways.
