

How evergreens enhance your property and quality of life

- Great as wind breakers if planted on the north and west sides of a property, reducing heating costs
- Provide food and cover for many species of birds and wildlife
- Can be used as a privacy screen
- Can be used to dampen traffic noise and other unwanted noise
- Improve air quality
- Provide shade in the summer
- Help control/reduce storm water runoff
- Raise property values
- Provide color to the winter landscape
