The General Fund is the operating fund of the City. All general tax revenues and other receipts that are not restricted by law or contractual agreement to another fund are accounted for in this fund. The General Fund records the general operating expenditures, the fixed charges and the capital improvement costs that are not paid through other funds. Activities include: Administration, City Secretary, Finance, Police, Fire, Street Maintenance, Animal Control, Library, Human Resources, Municipal Court and Park Maintenance.

Maintaining a fund balance equal to the greater of \$1 million or 30% of expenditures is a fiscal policy adopted by the Commission and is at a level deemed adequate by New York bond rating agencies as fiscally sound. Fund balance is tracked on the graph at the right.

Fiscal 2017-2018 is the 3rd full year of a voter approved 4-year ¼ cent Crime Control Tax, which is accounted for in this Special Revenue Fund. This tax was initially approved for its first four year span in November 2014 and must be reauthorized in November 2018. The revenue from this tax is intended to enhance the law enforcement capabilities of the Ennis Police Department by providing critical equipment and personnel. The CCPD is governed by a 7 member Commission appointed board. Recommendations are presented by the City Manager and Chief of Police to the board who will review and recommend the budget to the Commission.

The Water & Sewer Fund is accounted for in a manner similar to a private "for profit" business. Revenues can fluctuate dramatically due to rainfall and average temperature variations from year to year. The City strives to maintain adequate cash reserves in this fund to avoid the need for rate increases in the event of an above average rainfall year or to defray the cost of major unanticipated system repairs.

The Airport Fund became a separate, business-type, fund for FY2016. The Fund is a combination of the Airport Construction Fund and the elements previously in the General Fund. The Airport operates on a business basis, with fees from hangar rentals, fuels sales and other fees, used to pay the expenses of maintaining the airport. Management of the airport is the responsibility of City staff and a maintenance operator located at the airport.
