At this time, the Mayor called on special guest Judge Celeste Wilson. Mrs. Wilson thanked the Mayor and Board of Aldermen for allowing her to come and introduce herself to the new Board. Mrs. Wilson shared she is working on a community board/project in Horn Lake with Carson Culver and Jim Robinson. Alderman White thanked Judge Wilson for all she does.

At this time, the Mayor called on Police Chief Rowell to present the 2018 Robert Earl Brady Scholarship. Chief Rowell thank the Mayor and Board of Aldermen for allowing them to make this presentation. Chief Rowell stated this year they had 14 applicants apply for the scholarship and it was very refreshing to see this many quality candidates. After reviewing all the quality applications the committee selected Yazneen Berkley for the 2018 Robert Earl Brady Scholarship recipient. Chief Rowell stated Ms. Berkley would be attending college at Northwest Community College to study Nursing.

\*\* At this time the Mayor opened the public hearing on the proposed amendments to the zoning ordinance for short-term lenders /urban banks, and called on Bob Barber, Horn Lake Planning Consultant. Mr. Barber presented his report and stated the proposed amendments were in response to the request of the Board with respect to the moratorium on the term “Urban Banks” used in the zoning code. Mr. Barber stated that there are 2 types of financial institutions regulated by the State of MS. Mr. Barber stated they are a traditional bank and the other being short term lenders. Mr. Barber presented the State code on how these are regulated. Mr. Barber stated the Planning Commission looked at numerous studies comparing traditional banking and short term lenders, which studies were presented to the Mayor and Board, as part of the record. Mr. Barber stated the Planning Commission held a Public Hearing and the following is the recommendation by the Horn Lake Planning Commission for a text amendment of the zoning ordinance: To amend Article II, Definitions of the Zoning Code to include “Short-Term Lender: any entity including, but not limited to, check cashing, title loans, small lenders, consumer finance or any other similar type business licensed by the Mississippi Department of Banking and Consumer Finance under MS Code 75-67-1 et seq”. To amend Article XII, Table of Uses to replace “Urban Banks” with “Short Term Lenders”. To amend Article V. - General Provisions and Supplemental Zoning District Regulations to add section stating “Short Term Lenders shall be located no closer than 1000 feet from any other established Short-Term Lender. Mr. Barber stated that currently “Urban Banks” are a conditional use in M1 and M2. Alderman Smith asked if these amendments can be enforced on the current short term lenders in Horn Lake. Mr. Barber stated the current locations would be grandfathered in. Alderman Smith stated once that conditional use time runs out, it does not have to be granted again. Francis J. Miller stated he had to use one of these businesses due to the citation he received to fix damaged wood on his house. Mr. Miller stated he took out a \$1,500 loan using the title on his truck and had to pay 43% interest. Mr. Francis stated he had to go to this type of business and requested the Board not to remove all the short term lenders from Horn Lake. Mr. Brian Moore stated we did not need all the regulations interfering telling people they cannot lend money and we should let the market take care of itself. Alderman Guice asked if this would affect banks like First Heritage Credit that offered loans. Mr. Barber stated it would only affect businesses regulated under MS Code 75-67-1 such as check cashing, title loans, small lenders, consumer finance or any other similar type business. Mrs. Mellissa Fergusson from 5427 Pravin Dr. asked if the Board could regulate to where a short term lender could not charge 43% interest. Alderman Smith stated that was regulated by the State, but he was concerned about the predatory lending practices of such businesses. Mrs. Fergusson stated you could change it for Horn Lake. Alderman Jones stated we could not change what is regulated by State or Federal Governments. Mrs. Fergusson asked if the City could lobby the State to change that law allowing the high interest rates. Mr. Barber stated there are groups engaged in lobbying to regulate against the high percentage rate. Mrs. Fergusson stated Horn Lake should be engaged in that lobby also. Alderman White stated the main point of this recommendation of the Planning Commission is to regulate having short term lenders on every corner. Mr. Barber stated the studies indicated that such lenders did not have a positive impact on the community. No one else appeared to speak. The hearing was declared closed.

\*\* At this time the Mayor opened the public hearing and called on Bob Barber, Horn Lake Planning Consultant to present Case No. 1743: Homer Henson - Request for rezoning 3.75 acres from A-R to C-4 located at the southwest corner of Nail and Horn Lake Road. Mr. Barber presented his report and stated the proposed rezoning is in conflict with the proposed land use from the City Comprehensive Plan. Mr. Barber stated there is low and medium density single family dwelling along with some commercial development in the area. Mr. Barber stated the property is zoned AR agriculture/residential. Mr. Barber stated the Planning Commission heard the request of the property owner to convert the property to C-4, heard requests to deny this request by local residents, and voted to recommend denial due to already vacant unoccupied Commercial property available and it conflicted with the comprehensive plan approved by the City. Alderman Smith asked what the comprehensive plan shows for this property. Mr. Barber stated it is approved for AR agriculture/residential - medium density residential. Alderman Guice wanted to clarify that 3 corners of the intersection are commercial. Mr. Barber stated that was correct and 2.5 corners of the commercial are vacant. Alderman Bledsoe asked if at a later date the request came before the Board, could the zoning be changed. Mr. Barber stated it could be changed later. Alderman White asked if the owner has a potential commercial buyer for the property. Mrs. Barbara Gunn, owner representative, stated they do not have a contract on the property but they have people interested. Alderman Jones stated if there is interest for commercial have them purchase the available land on the other corners first. Mrs. Gunn stated they are very interested in the Homer Henson property. Alderman Roberts stated since the other properties were zoned Commercial by the owners request and since Homer Henson's property is in the future plan a commercial, why are we denying this as commercial. Alderman Jones stated that the Henson property is not zoned commercial in the City comprehensive plan and Mr. Barber stated it is medium density residential. Alderman Smith stated the plan could be changed. Alderman White stated it is a shame that all 3 corners are commercial and the 4<sup>th</sup> corner is not. Alderman Guice asked about their request for C-4. Mr. Barber stated it is the highest level of commercial and the most restrictive. Alderman Roberts stated the City would have the most regulations in C-4. Francis J. Miller stated he attended the planning commission meeting and there were 3 yes votes and 1 no vote to deny. Mr. Miller state only 4 commissioner made the decision for Horn Lake. Mr. Miller stated there should be C-4 on every corner in Horn Lake. Mr. Francis stated C-4 should be approved. Mr. Joshua Wright stated he attended the planning commission and researched C-4 and it would require the better businesses. Mr. Wright stated that in the meeting Mrs. Gunn stated they had been contacted by a gas station business which would fall under C-1. Mr. Wright stated if you travel a mile in any direction you will find a gas station and did not see a need for another gas station. Mr. Wright stated his residence borders Mr. Henson's property and feels he would get the property zoned commercial and underbid the other 3 corner lots to get a gas station on the corner. Mr. Wright stated his family enjoys the agriculture/residential lifestyle and have livestock. Mr. Wright stated there are very few AR zoned areas left in Horn Lake and asked that be considered to remain AR. Alderwoman Johnson stated that she understands that Mr. Wright wanted this to remain zoned as AR. Mr. Wright stated yes he would love for you to see his kids 4 wheeling and pet pig running through the yard. Mr. Wright stated he referenced at the Planning Commission meeting that the robbery information he had regarding the Dollar General was that 7 out of 9 suspects fled on foot through the neighborhood and doesn't want more of this on Horn Lake Road, south of Nail Road. Mr. Brian Moore stated all land owners have the right to sell or do what they want with their land. Mr. Moore stated no property owner has to protect the neighbor's property. Mr. Barber stated again that the Board had the recommendation of the Planning Committee for denial. No one else appeared to speak. The hearing was declared closed.

Alderman Jones made a motion to uphold the Planning Commission recommendation and to deny the request for rezoning 3.75 acres from A-R to C-4 located at the southwest corner of Nail and Horn Lake Road. Motion died for lack of a second.
