At this time, the Mayor called on special guest Thelma Robinson 4451 Victoria Dr. Nesbit, MS. Mrs. Robinson thanked the Board of Aldermen for allowing her to speak again at the board meeting. It was explained to Mrs. Robinson that the City insurance provider had been contacted and they indicated it could cause a potential increase in the premium. Alderman Guice stated other Cities have volunteers and asked if we could check with other municipalities around the Mid-South to see how they work that with the insurance. Alderman Guice stated that the other Cities are able to take that risk or have volunteers sign a waiver. Spencer Shields shared that his understanding is the insurance company stated it could increase our premium. Alderman Roberts agreed with Alderman Guice on contacting the municipalities that utilize volunteers so that the City of Horn Lake could use volunteers and citizens wanting to be involved.

At this time, the Mayor called on special guest Robert Baker at 5660 Church Rd and Billy Cockrell 705 Twin Wood Cove, Southaven MS. Mr. Cockrell asked if the City had decided to de-annex the home of Robert Baker at 5660 Church Rd. Mr. Cockrell asked for a written statement if the City was or was not going to de-annex the home of Robert Baker. City Attorney Billy Campbell stated that the Board cannot grant or deny de-annexation of any property and that it is only the Chancery Court that can make that ruling. Mr. Campbell stated if the Board of Aldermen wanted to proceed with this request, the only appropriate action would be a motion for the city attorney to draft an ordinance contracting the City boundaries to exclude Mr. Baker's property. Mr. Campbell stated even after that it would be subject to Chancery Court approval involving a trial. The Mayor opened the floor for any such action, but none was taken.

\*\*At this time, the Mayor opened the public hearing on the properties alleged to be in need of cleaning. No one appeared to speak or offer evidence to dispute the need for cleaning as provided by City Code Enforcement. The hearing was declared closed.
