### THE UNDERSIGNED HEREBY CERTIFIES UNDER PENALTY FOR PERJURY THAT:

I am the legal owner of record of the property described above.

The property described above is my principal place of residence, or, if the application is for a permit to construct a new residence, that the new residence will be my principal place of residence upon completion and issuance of a Certificate of Occupancy.

I am familiar with construction codes, city ordinances, and state laws applicable to such construction activities.

I understand that I am responsible and liable for the construction on my property.

All work under the permit issued as a result of this application will be performed and/or supervised by me.

All work must be completed in conformance with current applicable construction codes and must pass inspections by the city inspectors.

I will pay a re-inspection fee for any re-inspections required as a result of the work not being ready for inspection or not being in conformance with the applicable code when inspected.

If, after the work has been inspected, the Building Official determines that I do not have the knowledge and/or experience to complete the work in conformance with applicable codes, the Building Official may stop the work and require me to engage a licensed and bonded contractor to complete the work.
