The Public Hearing was called to order at 6:35pm by Carolyn Duhaime, Chairman, followed by the Pledge of Allegiance.

Roll Call

Present were: Ms. Duhaime, Mr. Bolland, Mr. Miani and Ms. Allaire.

Public Portion

Ms. Duahime announced that each person wishing to speak was allowed 3 minutes.

Mr. Theodore Anglace, 37 Bank Street, Derby spoke. His concerns were how much sewage is used per day, stating he did not believe the amount he was told. He also felt that the rates were too high. He wanted to know how much is used by Derby and how much is used by Orange. He said that the people who work for the WPCA are getting raises and they are not there but 8 hours a day and the pumps are running 24 hours per day. He questioned Route 34, Lowe's, etc and asked if it was true they were able to get their rates reduced. He was upset because in the budget there is a line item for maintenance on the brand new truck. He said they should drive the truck in the Memorial Day Parade.

The Public Portion was closed.

Adjournment

A motion to adjourn was made by Ms. Alliare and seconded by Mr. Miani.

The meeting was adjourned at 6:42pm. Motion Carried.

Respectfully Submitted
