INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and
Members of City Council
City of Ocean City
County of Cape May, New Jersey

Report on the Financial Statements

We have audited the accompanying balance sheets - regulatory basis of the various funds and account group of the City of Ocean City, as of December 31, 2012 and 2011, the related statement of operations and changes in fund balance - regulatory basis for the years then ended, and the related statement of revenues - regulatory basis and statement of expenditures - regulatory basis of the various funds for the year ended December 31, 2012, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"), and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S Generally Accepted Accounting Principles.

As described in Note 1 of the financial statements, the financial statements are prepared by the City of Ocean City on the basis of the financial reporting provisions prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of New Jersey.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S Generally Accepted Accounting Principles” paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the City of Ocean City as of December 31, 2012 and 2011, or changes in financial position for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the regulatory basis balances sheets and account group as of December 31, 2012 and 2011, the regulatory basis statements of operations for the years then ended and the regulatory basis statements of revenues and expenditures for the year ended December 31, 2012 in accordance with the basis of financial reporting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey as described in Note 1.

Other Matters

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Ocean City’s basic financial statements. The supplementary information listed in the table of contents and the schedule of expenditures of state financial assistance as required by NJ OMB 04-04 and the letter of comments and recommendations section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplemental information listed in the table of contents and the schedule of expenditures of state financial assistance as required by NJ OMB 04-04 are the responsibility of management and were derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental information listed in the table of contents and the schedule of expenditures of state financial assistance as required by NJ OMB 04-04 are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The letter of comments and recommendations section has not been subject to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated July 19, 2013 on our consideration of the City of Ocean City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Ocean City's internal control over financial reporting and compliance.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements – regulatory basis of the City of Ocean City have been prepared in conformity with the basis of accounting established by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. This basis of accounting differs from accounting principles generally accepted in the United States of America (GAAP). The more significant of the City's accounting policies are described below.

Description of Financial Reporting Entity

The City of Ocean City is an island community located at the northern tip of Cape May County in the State of New Jersey. The population according to the 2010 census is 11,701.

The City is incorporated and operates under a Mayor and Council form of government. The Mayor is the Chief Executive Officer of the City and is elected by the voters. The City Council selects one of its members on an annual basis to hold the Office of Council President. The City Council is the law making body and passes all Resolutions and Ordinances. The City employs a City Administrator who is responsible for the day-to-day operations of the City.

Component Units

The financial statements of the component units of the City are not presented in accordance with Governmental Accounting Standards Board Statement (GASB) No. 14, as amended by GASB Statement No. 39, Determining Whether Certain Organizations are Component Units. If the provisions of GASB 14 and GASB 39 had been complied with, the other entity's financial statements would have to be either blended or discretely presented with the financial statements of the City of Ocean City, the primary government. The City maintains a Special Improvement District and a Free Public Library.

Ocean City Business and Neighborhood Development Association
Special Improvement District
854 Asbury Avenue
Ocean City, NJ 08226

Ocean City Free Public Library
1735 Simpson Avenue
Ocean City NJ, 08226

The annual financial report may be inspected directly at the office of the component unit during regular business hours.

Basis of Presentation, Fund Accounting

The financial statements – regulatory basis of the City of Ocean City contain all funds and account groups in accordance with the "Requirements of Audit" as promulgated by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the City of Ocean City accounts for its financial transactions through the following separate funds, which differ from the funds required by GAAP.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Current Fund

The Current Fund accounts for revenues and expenditures for governmental operations of a general nature, including Federal and State Grant Funds.

Trust Funds

The various Trust Funds account for receipts, custodianship and disbursement of funds in accordance with the purpose for which each fund was created.

General Capital Funds

The General Capital Fund accounts for the receipt and disbursement of funds for the acquisition of general facilities, other than those acquired in the Current Fund.

Budgets and Budgetary Accounting

The City of Ocean City must adopt an annual budget in accordance with N.J.S.A. 40A:4 et al. State statutes require the governing body to introduce and approve the annual municipal budget no later than February 10th of each year. At introduction, the governing body shall fix the time and place for a public hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulating in the municipality. The public hearing must not be held less than twenty-eight days after the date of introduction. After the hearing has been held, the governing body may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9.

An extension of the statutory due dates for introduction, approval and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services.

Budgets are adopted on the same basis of accounting utilized for the preparation of the City's financial statements – regulatory basis.

Cash and Investments

New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank approved by the State Department of Banking and Insurance and organized under laws of the United States or the State of New Jersey or the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of securities which may be purchased by New Jersey municipal units.

The cash management plan adopted by the City of Ocean City requires it to deposit funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). GUDPA was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey.

N.J.S.A. 17:9-42 requires governmental units to deposit public funds only in public depositories located in New Jersey, where the funds are secured in accordance with the Act.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Public funds are defined as the funds of any governmental unit. Public depositories include banks (both state and federal), savings and loan institutions and savings banks, the deposits of which are federally insured. All public depositories pledge collateral, having a market value of five percent of the average daily balance of collected public funds, to secure the deposits of governmental units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories in the collateral pool, is available to pay the full amount of their deposits to the governmental units.

Generally, the City considers all investments that mature in one year or less to be cash equivalents.

All certificates of deposit are recorded as cash regardless of date of maturity.

Interfunds

Interfund receivables and payables that arise from transactions between funds are recorded by all funds affected by such transactions in the period in which the transaction is executed. Interfund receivables in the Current Fund are recorded with offsetting reserves, which are created by charges to Fund Balance. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves. GAAP does not require the establishment of an offsetting reserve.

Inventories of Supplies

The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various balance sheets.

General Fixed Assets

Property and Equipment purchased by the Current and General Capital Funds are recorded as expenditures at the time of purchase.

Accounting for Governmental Fixed Assets, as promulgated by the Division of Local Government Services, differs in certain respects from GAAP. The following is a brief description of the provisions of the Directive. Fixed Assets used in governmental operations (“general fixed assets”) are accounted for in the General Fixed Assets Account Group. Public Domain (“Infrastructure”) fixed assets consisting of certain improvements other than buildings, such as roads, bridges, curbs and gutters, streets and sidewalks, and drainage systems, are not capitalized.

All fixed assets are valued at historical cost, or estimated historical cost if actual historical cost is not available.

No depreciation on general fixed assets is recorded in the financial statements – regulatory basis.

Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation.

Fixed assets acquired through grants – in – aid or contributed capital have not been accounted for separately.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Foreclosed Property

Foreclosed property is recorded in the Current Fund at the assessed valuation when such property was acquired and is fully reserved. Ordinarily it is the intention of the municipality to resell foreclosed property in order to recover all or a portion of the delinquent taxes or assessments by returning the property to a taxpaying basis. For this reason the value of foreclosed property has not been included in the General Fixed Assets Account Group. If such property is converted to municipal use, it will be capitalized in the General Fixed Assets Account Group. GAAP requires property to be recorded at the market value at the time of acquisition.

Deferred Charges

The recognition of certain expenditures is deferred to future periods. These expenditures, or Deferred Charges, are generally overexpenditures of legally adopted budget appropriations made in accordance with N.J.S.A. 40A:4-46 et al. Deferred charges are subsequently raised as items of appropriation in budgets of succeeding years.

Appropriation Reserves

Appropriation Reserves covering unexpended appropriation balance are automatically created at year end and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriation Reserves are available, until lapsed at the close of the succeeding fiscal year. Lapsed appropriation reserves are recorded as income. Appropriation Reserves are not established under GAAP.

Fund Balance

Fund Balances included in the Current Fund represents amounts available for anticipation as revenue in future years' budgets, with certain restrictions.

Revenues

Revenues are recorded as received in cash except for certain amounts that are due from other governmental units. Revenue from Federal and State Grants is realized as revenue when anticipated as such in the City's budget. Other amounts that are due the City which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received. GAAP generally requires that grant revenue be recognized when actual expenditures financed by the grant are made.

Property Tax Revenues

Property tax revenues are collected in quarterly installments due February 1st, May 1st, August 1st, and November 1st. Property taxes unpaid are subject to tax sale in accordance with statutes. The amount of tax levied includes not only the amount required in support of the City's annual budget, but also the amounts required in support of the entities that follow. Receivables for property taxes are recorded with offsetting reserves on the balance sheet of the City's Current Fund; accordingly, such amounts are not recorded as revenue until collected. GAAP requires such revenues to be recognized when they are available and measurable reduced by an allowance for doubtful accounts.

School Taxes

The City is responsible for levying, collecting and remitting school taxes for the City of Ocean City School District. Fund Balance is charged for the full amount required to be raised from taxation to operate the school districts from January 1st through December 31st.

<u>Category</u>	<u>Amount</u>
School Tax Payable	\$ -
School Tax Deferred	12,136,292.00
	<u>\$ 12,136,292.00</u>

County Taxes

The City is responsible for levying, collecting and remitting county taxes for the County of Cape May. Fund Balance is charged for the amount due the County for the year, based upon the ratables required to be certified to the County Board of Taxation by January 10th of the current year. In addition Fund Balance is charged for the County Share of Added and Omitted Taxes certified to the County Board of Taxation by October 10th of the current year and due to be paid to the County by February 15th of the following year.

Reserve for Uncollected Taxes

The inclusion of the “Reserve for Uncollected Taxes” appropriation in the City’s annual budget protects the City from taxes not paid currently. The minimum amount of the reserve, determined by the percentage of collections experienced in the preceding year, is required to provide assurance that cash collected in the current year will provide sufficient cash flow to meet expected obligations. A Reserve for Uncollected Taxes is not established under GAAP.

Expenditures

Expenditures are recorded on the “budgetary” basis of accounting. Generally, expenditures are recorded when an amount is encumbered for goods or services through the issuance of a purchase order in conjunction with the encumbrance system. Outstanding encumbrances at December 31st are recorded as a cash liability. Appropriations for principal payments on outstanding General Capital Fund bonds and notes are provided on the cash basis; interest on General Capital Fund indebtedness is on the cash basis. GAAP requires expenditures to be recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on long – term debt, which is recognized when due.

Compensated Absences and Post – Employment Benefits

Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a “pay as you go” basis. Likewise, no accrual is made for post employment benefits, if any, which are also funded on a “pay as you go” basis. GAAP requires that the amount that would normally be liquidated with expendable financial resources be recorded as expenditure in the operating funds and the remaining obligations is recorded as long – term obligations.

NOTE 3: COMPENSATED ABSENCES

The City has permitted employees to accrue unused vacation, personal and sick time, which may be taken as time off or paid at a later date at an agreed upon rate. The monetary value of these earned and unused employee benefits has not been accrued by either charges to operations or to budgets of prior years, although in some cases they might be material, since the realization of this liability may be affected by conditions which preclude an employee from receiving full payment of the accrual. At December 31, 2012, the City estimates this liability to approximate \$4,810,506.19 based on 2012 pay rates and compensated absence balances.

NOTE 4: DEFERRED COMPENSATION ACCOUNT

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan complies with a private letter ruling of the Internal Revenue Service that requires assets of deferred compensation plans be held in Trust under the beneficial ownership of the Trustee, (City of Ocean City) serving as Trustee, for the exclusive benefit of the plan participants and their beneficiaries, and that the assets shall not be diverted to any other purpose. The plan administrators are as follows:

The Hartford Life Insurance Company
 Nationwide Retirement System (PEBSCO)

NOTE 6: RETIREMENT PLANS

Plan Descriptions

All eligible employees participate in the Public Employees' Retirement System (PERS), or the Police and Firemen's Retirement System (PFRS), which have been established by state statute and are administered by the New Jersey Division of Pensions and Benefits (Division). According to the State of New Jersey Administrative Code, all obligations of both Systems will be assumed by the State of New Jersey should the Systems terminate. The Division issues a publicly available financial report that includes the financial statements and required supplementary information for the Public Employees Retirement System and the Police and Fireman's Retirement System. These reports may be obtained by writing to the Division of Pensions and Benefits, P.O. Box 295, Trenton, New Jersey, 08625.

Public Employees' Retirement System (PERS) - The Public Employees' Retirement System (PERS) was established as of January 1, 1955 under the provisions of N.J.S.A. 43:15A to provide retirement, death, disability and medical benefits to certain qualified members. The PERS is a cost-sharing multiple-employer plan. Membership is mandatory for substantially all full-time employees of the State of New Jersey or any county, municipality, school district or public agency, provided the employee is not required to be a member of another state-administered retirement system or other state pension fund or local jurisdiction's pension fund.

Police and Fireman's Retirement System (PFRS) - The Police and Fireman's Retirement System (PFRS) was established as of July 1, 1944 under the provisions of N.J.S.A. 43:16A to provide retirement, death, and disability benefits to its members. The PFRS is a cost-sharing multiple-employer plan. Membership is mandatory for substantially all full-time county and municipal police or firemen or officer employees with police powers appointed after June 30, 1944.

Vesting and Benefit Provisions

The vesting and benefit provisions for PERS are set by N.J.S.A. 43:15A and 43:3B. All benefits vest after eight to ten years of service, except for medical benefits, which vest after 25 years of service. Retirement benefits for age and service are available at age 60 and, under recently enacted legislation are generally determined to be 1/55 of final average salary for each year of service credit. Final average salary equals the average salary for the final three years of service prior to retirement (or highest three years' compensation if other than the final three years). Members may seek early retirement after achieving 25 years service credit, or they may elect deferred retirement after achieving eight to ten years of service credit, in which case benefits would begin the first day of the month after the member attains normal retirement age.

The vesting and benefit provisions for PFRS are set by N.J.S.A. 43:16A and 43:3B. All benefits vest after ten years of service, except for disability benefits, which vest after four years of service. Retirement benefits for age and service are available at age 55 and generally determined to be 2% of final average compensation for each

year of creditable service, as defined, up to 30 years plus 1% for each year of service in excess of 30 years. Final average compensation equals the average compensation for the final three years of service prior to retirement (or highest three years' compensation if other than the final three years). Members may seek special retirement after achieving 20 or 25 years of creditable service or they may elect deferred retirement after achieving ten years of service, in which case benefits would begin at age 55 equal to 2% of final average compensation for each year of service.

Funding Policy

The contribution policy for PERS is set by N.J.S.A. 43:15A and requires contributions by active members and contributing employers. Plan member and employer contributions may be amended by State of New Jersey legislation. Members contribute at a uniform rate. PERS provides for employee contributions based on employees' annual compensation, as defined, which was increased to 6.64% in 2012. Employers are required to contribute at an actuarially determined rate. The annual employer contribution includes funding for basic retirement allowances, cost-of-living adjustments and noncontributory death benefits.

The contribution policy for PFRS is set by N.J.S.A. 43:16A and requires contributions by active members and contributing employers. Plan member and employer contributions may be amended by State of New Jersey legislation. Employers are required to contribute at an actuarially determined rate. The annual employer contribution includes funding for basic retirement allowances, cost-of-living adjustments and noncontributory death benefits. Members contribute at a uniform rate of 10.00% of base salary in 2012.

For the Public Employees' Retirement System, the City's contribution was \$1,337,245.00 for 2012 and \$1,247,564.00 for 2011.

NOTE 7: CASH AND INVESTMENTS

Cash

Operating cash, in the form of checking, savings and money market savings accounts, is held in the City's name by several commercial banking institutions. At December 31, 2012, the carrying amount of the City's deposits was \$31,340,563.74 and the bank balance was \$32,393,286.59. Of the bank balance, \$631,758.56 was insured with Federal Deposit Insurance Corporation, the balance of 31,761,528.03 was insured by the Governmental Unit Deposit Protection Act (GUDPA).

Pursuant to GASB Statement No. 40, "Deposit and Investment Risk Disclosures" ("GASB 40"), the City's bank accounts are profiled in order to determine exposure, if any, to Custodial Credit Risk (risk that in the event of failure of the counterparty the City would not be able to recover the value of its deposits or investment). Deposits are considered to be exposed to Custodial Credit Risk if they are: uncollateralized (securities not pledged to the depositor), collateralized with securities held by the pledging financial institution, or collateralized with securities held by the financial institution's trust department or agent but not in the government's name. At December 31, 2012, all of the City's deposits were insured by either FDIC or the Governmental Unit Deposit Protection Act (GUDPA), and accordingly, not exposed to custodial credit risk. The City does not have a policy for custodial credit risk other than its requirement to only utilize GUDPA institutions.

NOTE 8: PROPERTY TAXES

Property valuations (assessments) are determined on true values as arrived at by a cost approach, market data approach and capitalization of net income where appropriate. Current assessments are the results of new assessments on a like basis with established comparable properties for newly assessed or purchased properties. This method assures equitable treatment to like property owners, but it often results in a divergence of the assessment ratio to true value.

Upon the filing of certified adopted budgets by the municipality, the local school district, and the county, the tax rate is struck by the County Board of Taxation based on the certified amounts in each of the taxing districts for collection to fund budgets. The statutory provision for the assessment of property, levying of taxes and the collection thereof is set forth in N.J.S.A. 54:4 et seq. Special taxing districts are permitted in New Jersey for various special services rendered to the properties located within the special districts.

Tax bills are mailed annually in June. The taxes are due August 1 and November 1 respectively, and are adjusted to reflect the current fiscal year's total tax liability. The preliminary taxes, due February 1 and May 1 of the succeeding fiscal year, are based upon one-half of the current year's total tax.

Tax installments not paid on or before the due date are subject to interest penalties of 8% per annum on the first \$1,500 of the delinquency and 18% per annum on any amount in excess of \$1,500. Pursuant to P.L. 1991, c. 75, the governing body may also fix a penalty to be charged to a taxpayer with a delinquency in excess of \$10,000 who fails to pay that delinquency prior to the end of the calendar year. The penalty so fixed shall not exceed 6% of the amount of the delinquency. The interest and penalties are the highest permitted under New Jersey Statutes. Delinquent taxes open for one year or more are annually included in the tax sale in accordance with New Jersey statutes.

NOTE 8: PROPERTY TAXES (CONTINUED)

The New Jersey statutes provide a taxpayer with remedial procedures for appealing an assessment deemed excessive. Prior to February 1 of each year, the municipality must mail to each property owner a notice of the current assessment and taxes on the property. The taxpayer has a right to petition the County Tax Board. The County Board of Taxation has the authority after a hearing to decrease or reject the appeal petition. These adjustments are usually concluded within the current tax year and reductions are shown as canceled or remitted taxes for that year. If the taxpayer feels the County Board of Taxation unsatisfactorily reviewed the petition, appeal may be made to the Tax Court of New Jersey for further hearing. Some Tax Court appeals may take several years prior to settlement and any losses in tax collection from prior years are charged to a reserve set aside for this purpose or directly charged to Fund Balance.

The following is a three-year comparison of certain statistical information relative to property taxes and property tax collections for the current and previous two years.

NOTE 12: BUDGETARY DATA

Annually, City Council adopts the annual appropriation budgets for the Current Fund and the Capital Improvement Plan. Once approved, the City Council may amend the legally adopted budget when unexpected modifications are required in estimated revenues and appropriations.

Supplemental appropriations per N.J.S.A. 40A:4-46, 53 and 54, Emergencies and Special Emergencies, become charges against the budget of the following year per N.J.S.A. 40A:4-47 except when financing is provided for by bonding ordinances. During 2012 the City approved a Special Emergency Appropriation in accordance with N.J.S.A. 40A:4-53 in the amount of \$3,625,000.00 to pay the extraordinary expenses related to Hurricane Sandy. This Special Emergency will be raised in the next five subsequent budgets.

Budget transfers between appropriation accounts are prohibited until the last two months of the year. The City Council approves the transfers by Resolution. Budgetary transfers during the year were not significant.

NOTE 13: FEDERAL AND STATE GRANTS

In the normal course of operations, the City receives grant funds from various Federal and State agencies. The grant programs are subject to audit by agents of the granting authority, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as a result of these audits is not believed to be material.

NOTE 15: RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

Property and Liability Insurance

The City maintains commercial insurance coverage for property, liability and surety bonds. During the year ended December 31, 2012, the City did not incur claims in excess of their coverage and the amount of coverage did not significantly decrease.

NOTE 16: LITIGATION

The City is a defendant in several legal proceedings that are in various stages of litigation. Some of these cases could be material to the financial statements; as of the date of this report the outcome of this case cannot be determined. In all other cases it is believed that the outcome, or exposure to the City, from such litigation is either unknown or potential losses, if any would not be material to the financial statements.

NOTE 17: NOTE PAYABLE

On February 17, 2006 the City issued a Purchase Note in the amount of \$4,500,000 with a stated interest rate of 4%. The issuance of this note financed the purchase of land as authorized by City Bond Ordinance 05-33. The note is held by the seller of the land. The terms of the note require the City to pay interest quarterly until maturity on February 17, 2026. This note is however, subject to extraordinary mandatory redemption prior to maturity within one year of the death of the holder.

NOTE 18: DEFINED CONTRIBUTION RETIREMENT PROGRAM

Plan Description

The Defined Contribution Retirement Program (DCRP) was established July 1, 2010, under the provisions of Chapter 92, P.L. 2010 and Chapter 103, P.L. 2010, and expanded under the provisions of Chapter 89, P.L. 2011. The DCRP provides eligible employees and their beneficiaries with a tax-sheltered, defined contribution retirement benefit, along with life insurance coverage and disability coverage.

Vesting and Benefits Provisions

Newly elected or appointed officials that have an existing DCRP account, or are a member of another State-administered retirement system are immediately invested in the DCRP. For newly elected or appointed officials that do not qualify for immediate vesting in the DCRP, employee and employer contributions are held during the initial year of membership. Upon commencing the second year of DCRP membership, the member is fully invested. However, if a member is not eligible to continue in the DCRP for a second year of membership, the member may apply for a refund of the employee contributions from the DCRP, while the employer contributions will revert back to the employer.

Retirement benefits for members are determined according to the applicable Tier level:

Tier 1 Membership: The retirement age is 60 for a Service or Deferred Retirement. For an Early Retirement, a member must have at least 25 years of service credit; however, if a member is under the age of 55 at the time of retirement, the retirement allowance is reduced 3 percent per year (1/4 of 1 percent per month) for each year the member is under age 55.

Tier 2 Membership: The retirement age is 60 for a Service or Deferred Retirement. For an Early Retirement a member must have at least 25 years of service credit; however, if a member is under the age of 60 at the time of retirement, the retirement allowance is reduced 1 percent per year (1/12 of 1 percent per month) for each year the member is under age 60 but over age 55, and 3 percent per year (1/4 of 1 percent per month) for each year the member is under age 55.

Tier 3 Membership: The retirement age is 62 for a Service or Deferred Retirement. For an Early Retirement a member must have at least 25 years of service credit; however, if a member is under the age of 62 at the time of retirement, the retirement allowance is reduced 1 percent per year (1/12 of 1 percent per month) for each year the member is under age 62 but over age 55, and 3 percent per year (1/4 of 1 percent per month) for each year the member is under age 55.

Funding Policy

Members contribute at a uniform rate of 5.5% of their base salary. Employers are required to contribute at a set rate of 3.0% of base salary.

NOTE 19: POST- RETIREMENT BENEFITS

The City offers medical, prescription drug, dental and vision coverage to eligible retirees and their dependants.

Effective April 1, 2010, the City participates New Jersey State Health Benefits Program (“the SHBP”), which qualifies as a cost-sharing, multiple –employer plan in accordance with GASB Statement 45 “Accounting and Financial Reporting by Employers for Post-employment Benefits Other Than Pensions” (“OPEB”). The SHBP is administered by the State of New Jersey, Department of Treasury, Division of Pension and Benefits.

Under the SHBP, retirees may continue the health benefits programs in which they are enrolled at the time of retirement, provided the retiree pays the costs of the benefits (at group rates) for themselves and their eligible dependents.

The State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, issues publicly available financial reports that include the financial statements and required supplementary information of the SHBP. The financial reports may be obtained by writing to the State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, P.O. Box 295, Trenton, New Jersey 08625-0295.

The SHBP is established under the authority of N.J.S.A. 52:14-17.25 et seq. and regulations adopted by the State Health Benefits Commission. The required contribution rate is determined on an annual pay as you go basis. The following were the required contributions:

2012 - \$6,529,584.78
2011 - \$5,901,892.05
2010 - \$5,529,300.74

NOTE 20: SHORT-TERM FINANCING

Short-term debt provides for financing of governmental activities and capital projects.

On March 8, 2012 the City issued a Bond Anticipation Note in the Amount of \$9,750,000.00, bearing interest at a rate of 2.00% per annum to fund various General Capital Ordinances. The Note is due March 8, 2013 and was refunded with the proceeds of the December 2012 Bond Issue.

On June 21, 2012 the City issued a Bond Anticipation Note in the Amount of \$9,350,000.00, bearing interest at a rate of 1.50% per annum to fund various General Capital Ordinances. It is anticipated that this note will be funded in a future Bond Sale.

On December 29, 2012 the City issued an Emergency Note in the Amount of \$3,625,000.00, bearing interest at a rate of 1.25% per annum to fund extraordinary expenses related to Hurricane Sandy. The Note is due December 29, 2013 and it is anticipated that the City will reissue the note at that date, less the \$725,000.00 pay down budgeted in the 2013 Current Fund Budget. The remaining \$2,900,000.00 will be retired in annual budgeted pay downs.

The following is a summary of changes in short-term debt for the year ended December 31, 2012:

INDEPENDENT AUDITOR'S REPORT

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS – REGULATORY BASIS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Mayor and
Members of the City Council
City of Ocean City
County of Cape May, New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements – regulatory basis, as listed in the accompanying table of contents, of the City of Ocean City, State of New Jersey, as of and for the year ended December 31, 2012, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated July 19, 2013, which was adverse due to being presented in accordance with the New Jersey Regulatory Basis of Accounting. Our report disclosed that, as described in Note 1 to the financial statements, the City of Ocean City prepares its financial statements on a basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"), that demonstrates compliance with a modified accrual basis of accounting and the budget laws of the State of New Jersey.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements but not for the purpose of expressing an opinion on the effectiveness of City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

GENERAL COMMENTS

Contracts and Agreements Required to be Advertised for N.J.S.A. 40A:11-4

N.J.S.A. 40A:11-4 states, "Every contract awarded by the contracting agent for the provision or performance of any goods or services, the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the governing body of the contracting unit to the lowest responsible bidder after public advertising for bids and bidding therefor, except as is provided otherwise in this act or specifically by any other law." Effective July 1, 2010 the bid threshold is \$36,000.

The governing body of the City of Ocean City has the responsibility of determining whether the expenditures in any category will exceed the bid threshold within the fiscal year. Where question arises as to whether any contract or agreement might result in a violation of the statute, the City Counsel's opinion should be sought before a commitment is made.

Our examination of expenditures did not reveal any payments in excess of the bid threshold for the provision or performance of any goods or services, other than those where bids had been previously sought by public advertisement, awarded under state or county cooperative purchasing agreements, or awarded in compliance with other provisions of the "Local Public Contracts Law," N.J.S.A. 40A:11.

Collection of Interest on Delinquent Taxes and Assessments

The statutes provide the method for authorizing interest and the maximum rates to be charged for the nonpayment of taxes or assessments on or before the date when they would become delinquent.

The governing body adopted the following resolution authorizing interest to be charged on delinquent taxes:

BE IT RESOLVED by the City Council of the City of Ocean City, in accordance with Chapter 75, New Jersey Laws of 1991, and N.J.S.A. 54:4-67, 54:5-32, 54:5-34 and 54:5-35, which authorizes the Governing Body inter alia to fix the rate of interest to be charged, in the City of Ocean City, for the nonpayment of taxes, assessments and municipal charges, said rate of interest shall be and is hereby fixed at 8 per cent per annum on the first \$1,500 of delinquency and 18 per cent per annum on any amount in excess of \$1,500 to be calculated from the date when the taxes, assessments and charges become delinquent.

BE IT FURTHER RESOLVED by the City Council of the City of Ocean City, in accordance with N.J.S.A. 54:4-67, Chapter 75, New Jersey Laws of 1991, and Chapter 32, New Jersey Laws of 1994, which permits a 6 per cent penalty on taxes and municipal charges greater than \$10,000 as of the close of the fiscal year, that said end-of-year penalty shall be fixed for the Year 2012.

This Resolution shall take effect January 1, 2012.

It appears from an examination of the Collector's records that interest was charged in accordance with the foregoing resolution.

CITY OF OCEAN CITY

GENERAL COMMENTS (CONTINUED)

Delinquent Taxes and Tax Title Liens

The tax sale was held and was complete. Inspection of tax sale certificates on file revealed that all tax sale certificates were available for audit.

The following comparison is made of the number of tax title liens receivable on December 31st of the last three years:

<u>Year</u>	<u>Number</u>
2012	7
2011	5
2010	6

It is essential to good management that all means provided by the statutes be utilized to liquidate tax title liens in order to get such properties back on a tax-paying basis.

Verification of Delinquent Taxes and Other Charges

A test verification of delinquent taxes and charges as well as current payments was made in accordance with the regulations of the Division of Local Government Services, including the mailing of verification notices as follows:

<u>Type</u>	<u>Number Mailed</u>
Payments of 2012 and 2013 Taxes	5
Delinquent Taxes	5
Total	<u>10</u>

Deposit of Municipal Funds

N.J.S.A. 40A:5-15 states:

“All moneys, including moneys collected by taxation, received from any source by or on behalf of any local unit or any board or department thereof shall, within 48 hours after the receipt thereof, either

- a. be paid to the officer charged with the custody of the general funds of the local unit, who shall deposit all such funds within 48 hours after the receipt thereof to the credit of the local unit in its designated legal depository, or
- b. be deposited to the credit of the local unit in its designated legal depository.”

Our examination revealed that municipal funds were deposited within the mandated time.

CITY OF OCEAN CITY
NOTES TO SCHEDULE OF FEDERAL AND STATE AWARDS
YEAR ENDED DECEMBER 31, 2012

Note 1: General

The accompanying schedule of financial assistance present the activity of all state financial assistance programs of the City of Ocean City. The City is defined in Note 1 to the City's financial statements – regulatory basis.

Note 2: Basis of Accounting

The accompanying schedule of financial assistance are presented using the modified accrual basis of accounting in accordance with the "Requirements of Audit" as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services. Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the City accounts for its financial transactions through separate funds, which differ from the funds required by accounting principles generally accepted in the United States of America (GAAP).

Note 3: Relationship to General-Purpose Financial Statements

Amounts reported in the accompanying schedules agree with amounts reported in the City's financial statements – regulatory basis. The financial statements – regulatory basis present the Grant Fund on a budgetary basis. The Grant Fund is presented in the accompanying schedules on the grant accounting budgetary basis which recognizes encumbrances as expenditures and also recognizes the related revenues, whereas the GAAP basis does not.

	<u>Federal</u>	<u>State</u>	<u>Total</u>
Grant Fund	\$ 197,138.74	\$ 141,237.47	\$ 338,376.21
Public Assistance Fund		<u>438,872.57</u>	<u>438,872.57</u>
Total Financial Assistance	<u>\$ 197,138.74</u>	<u>\$ 580,110.04</u>	<u>\$ 777,248.78</u>

Note 4: Relationship to State Financial Reports

Amounts reported in the accompanying schedules agree with the amounts reported in the related state financial reports.

INDEPENDENT AUDITOR'S REPORT
ON COMPLIANCE WITH REQUIREMENTS THAT HAVE A DIRECT AND MATERIAL EFFECT ON
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
IN ACCORDANCE WITH OMB CIRCULAR A-133
AND NEW JERSEY OMB CIRCULAR 04-04

The Honorable Mayor and
Members of City Council
City of Ocean City
County of Cape May, New Jersey

Report on Compliance for Each Major State Program

We have audited Ocean City's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* and the *New Jersey OMB State Grant Compliance Supplement* that could have a direct and material effect on each of Ocean City's major state programs for the year ended December 31, 2012. Ocean City's major state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Ocean City's major state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and New Jersey OMB 04-04. Those standards, OMB Circular A-133 and NJ OMB 04-04 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about Ocean City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major state program. However, our audit does not provide a legal determination of Ocean City's compliance.

Opinion on Each Major State Program

In our opinion, Ocean City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended December 31, 2012.

Report on Internal Control Over Compliance

Management of Ocean City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Ocean City's internal control over compliance with the types of requirements that could have a direct and material effect on each major state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major state program and to test and report on internal control over compliance in accordance with OMB Circular A-133 and NJ OMB 04-04, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Ocean City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of State Financial Assistance as Required by NJ OMB 04-04

We have audited the financial statements of the various funds and account group of Ocean City as of and for the year ended December 31, 2012, and have issued our report thereon dated July 19, 2013, which was adverse due to being presented in accordance with the New Jersey Regulatory Basis of Accounting. Our report disclosed that, as described in Note 1 to the financial statements, the City of Ocean City prepares its financial statements on a basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"), that demonstrates compliance with a modified accrual basis of accounting and the budget laws of the State of New Jersey. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of expenditures of state financial assistance are presented for purposes of additional analysis as required by OMB Circular A-133 and NJ Circular 04-04 and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of state assistance is fairly stated in all material respects in relation to the financial statements as a whole.
