CITY OF OCEAN CITY PART I REPORT ON AUDIT OF FINANCIAL STATEMENTS - REGULATORY BASIS DECEMBER 31, 2013

INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and Members of City Council City of Ocean City County of Cape May, New Jersey

Report on the Financial Statements

We have audited the accompanying balance sheets - regulatory basis of the various funds and account group of the City of Ocean City, as of December 31, 2013 and 2012, the related statement of operations and changes in fund balance - regulatory basis for the years then ended, and the related statement of revenues - regulatory basis and statement of expenditures - regulatory basis of the various funds for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"), and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S Generally Accepted Accounting Principles.

As described in Note 1 of the financial statements, the financial statements are prepared by the City of Ocean City on the basis of the financial reporting provisions prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of New Jersey.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S Generally Accepted Accounting Principles" paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the City of Ocean City as of December 31, 2013 and 2012, or changes in financial position for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the regulatory basis balances sheets and account group as of December 31, 2013 and 2012, the regulatory basis statements of operations for the years then ended and the regulatory basis statements of revenues and expenditures for the year ended December 31, 2013 in accordance with the basis of financial reporting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey as described in Note 1.

Other Matters

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Ocean City basic financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information listed in the table of contents is presented for the purposes of additional analysis and is not a required part of the financial statements. The supplemental information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. Because of the significance of the variances between the regulatory basis of accounting and accounting principles generally accepted in the United States of America, it is inappropriate to and we do not express an opinion on the supplementary information referred to above.

The accompanying Schedules of Expenditures of Federal Awards and State Assistance are presented for the purpose of additional analysis as required by OMB Circular A-133 and NJ OMB 04-04 and are not a required part of the financial statements. The schedules of Expenditures of Federal Awards and State Assistance as required by OMB Circular A-133 and NJ OMB 04-04 are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion the schedule of Expenditures of Federal Awards and State Assistance as required by OMB A-133 and NJ OMB 04-04 are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The letter of comments and recommendations section has not been subject to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 15, 2014 on our consideration of the City of Ocean City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Ocean City's internal control over financial reporting and compliance.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the City of Ocean City have been prepared in conformity with the Basis of Accounting established by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. This basis of accounting differs from accounting principles generally accepted in the United States of America (GAAP). The more significant of the City's accounting policies are described below.

Description of Financial Reporting Entity

The City of Ocean City is an island community located at the northern tip of Cape May County in the State of New Jersey. The population according to the 2010 census is 11,701.

The City is incorporated and operates under a Mayor and Council form of government. The Mayor is the Chief Executive Officer of the City and is elected by the voters. The City Council selects one of its members on an annual basis to hold the Office of Council President. The City Council is the law making body and passes all Resolutions and Ordinances. The City employs a City Administrator who is responsible for the day-to-day operations of the City.

Component Units

The financial statements of the component units of the City are not presented in accordance with Governmental Accounting Standards Board Statement (GASB) No. 14, as amended by GASB Statement No. 39, Determining Whether Certain Organizations are Component Units. If the provisions of GASB 14 and GASB 39 had been complied with, the other entity's financial statements would have to be either blended or discretely presented with the financial statements of the City of Ocean City, the primary government. The City maintains a Special Improvement District and a Free Public Library.

Ocean City Business and Neighborhood Development Association Special Improvement District 854 Asbury Avenue Ocean City, NJ 08226

> Ocean City Free Public Library 1735 Simpson Avenue Ocean City NJ, 08226

The annual financial report may be inspected directly at the office of the component unit during regular business hours.

Basis of Presentation, Fund Accounting

The financial statement of the City of Ocean City contain all funds and account group in accordance with the "Requirements of Audit" as promulgated by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the City of Ocean City accounts for its financial transactions through the following separate funds, which differ from the funds required by GAAP.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Current Fund

The Current Fund accounts for resources and expenditures for governmental operations of a general nature, including Federal and State Grant funds.

Trust Funds

The various Trust Funds account for receipts, custodianship and disbursement of funds in accordance with the purpose for which each reserve was created.

General Capital Funds

The General Capital Fund accounts for receipt and disbursement of funds for the acquisition of general facilities, other than those acquired in the Current Fund.

Budgets and Budgetary Accounting

The City of Ocean City must adopt an annual budget in accordance with N.J.S.A. 40A:4 et al. State statutes require the governing body to introduce and approve the annual municipal budget no later than February 10th of each year. At introduction, the governing body shall fix the time and place for a public hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulating in the municipality. The public hearing must not be held less than twenty-eight days after the date of introduction. After the hearing has been held, the governing body may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9.

An extension of the statutory due dates for introduction, approval and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services.

Budgets are adopted on the same basis of accounting utilized for the preparation of the City's financial statements.

Cash and Investments

New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank approved by the State Department of Banking and Insurance and organized under the laws of the United States or of the State of New Jersey or the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1(a) provides a list of securities which may be purchased by New Jersey municipal units.

The cash management plan adopted by the City of Ocean City requires it to deposit funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act ("GUDPA"). GUDPA was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey.

N.J.S.A. 17:9-42 requires government units to deposit public funds only in public depositories located in New Jersey, where the funds are secured in accordance with the Act.

Public funds are defined as the funds of any government unit. Public depositories include banks (both state and federal banks), savings and loan institutions and savings banks, the deposits of which are federally insured. All public depositories pledge collateral, having a market value of five percent of the average daily balance of collected public funds, to secure the deposits of governmental units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories in the collateral pool, is available to pay the full amount of their deposits to the governmental units. Generally, the City considers all investments that mature in one year or less to be cash equivalents.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Generally, the City considers all investments that mature in one year or less to be cash equivalents.

Interfunds

Interfund receivables and payables that arise from transactions between funds are recorded by all funds affected by such transactions in the period in which the transaction is executed. Interfund receivables in the Current Fund are recorded with offsetting reserves, which are created by charges to fund balance. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves. GAAP does not require the establishment of an offsetting reserve.

Inventories of Supplies

The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various balance sheets.

General Fixed Assets

Property and Equipment purchased by the Current and General Capital Funds are recorded as expenditures at the time of purchase and are not capitalized.

Accounting for Governmental Fixed Assets, as promulgated by the Division of Local Government Services, differs in certain respects from GAAP. The following is a brief description of the provisions. Fixed Assets used in governmental operations ("general fixed assets") are accounted for in the General Fixed Assets Account Group. Public Domain ("Infrastructure") fixed assets consisting of certain improvements other than buildings, such as roads, bridges, curbs and gutters, streets and sidewalks, and drainage systems, are not capitalized.

All fixed assets are valued at historical cost, or estimated historical cost if actual historical cost is not available.

No depreciation on general fixed assets is recorded in the financial statements.

Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation.

Fixed assets acquired through grants-in-aid or contributed capital have not been accounted for separately.

Foreclosed Property

Foreclosed property is recorded in the Current Fund at the assessed valuation when such property was acquired and is fully reserved. Ordinarily, it is the intention of the municipality to resell foreclosed property in order to recover all or a portion of the delinquent taxes or assessments and to return the property to a taxpaying basis. For this reason, the value of foreclosed property has not been included in the General Fixed Assets Account Group. If such property is converted to a municipal use, it will be capitalized in the General Fixed Assets Account Group at the market value at the time of acquisition.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Deferred Charges

The recognition of certain expenditures is deferred to future periods. These expenditures, or Deferred Charges, are generally overexpenditures of legally adopted budget appropriations made in accordance with N.J.S.A. 40A:4-46 et al. Deferred charges are subsequently raised as items of appropriation in budgets of succeeding years.

Appropriation Reserves

Appropriation reserves covering unexpended appropriation balances are automatically created at yearend and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding fiscal year. Lapsed appropriation reserves are recorded as income. Appropriation reserves are not established under GAAP.

Fund Balance

Fund balance included in the Current Fund represents the amount available for anticipation as revenue in future years' budgets, with certain restrictions.

Revenues

Revenues are recorded as received in cash, except for certain amounts, which are due from other governmental units. Revenue from Federal and State grants is realized as revenue when anticipated as such in the City's budget. Other amounts that are due the City, which are susceptible to accrual, are also recorded as receivables with offsetting reserves and recorded as revenue when received. GAAP generally requires that grant revenue be recognized when the actual expenditures financed by the grant are made.

Property Tax Revenues

Property tax revenues are collected in quarterly installments due February 1st, May 1st, August 1st, and November 1st. Property taxes unpaid on April 1st of the year following their final due date are subject to tax sale in accordance with the statutes. The amount of tax levied includes not only the amount required in support of the City's annual budget, but also the amounts required in support of the budgets of the entities that follow. Receivables for property taxes are recorded with offsetting reserves on the balance sheet of the City's Current Fund; accordingly, such amounts are not recorded as revenue until collected. GAAP requires such revenues to be recognized when they are available and measurable reduced by an allowance for doubtful accounts.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

School Taxes

The City is responsible for levying, collecting and remitting school taxes for the City of Ocean City School District. Fund Balance is charged for the full amount required to be raised from taxation to operate the school districts from January 1st through December 31st.

	12/31/2013	12/31/2012
Balance of Tax	\$ 12,140,786.00	12,136,292.00
Deferred	12,140,786.00	12,136,292.00
Tax Payable	\$ -	

County Taxes

The City is responsible for levying, collecting and remitting county taxes for the County of Cape May. Fund balance is charged for the amount due the County for the year, based upon the ratables required to be certified to the County Board of Taxation by January 10th of the current year. In addition, fund balance is charged for the County share of Added and Omitted Taxes certified to the County Board of Taxation by October 10th of the current year and due to be paid to the County by February 15th of the following year.

Reserve for Uncollected Taxes

The inclusion of the "Reserve for Uncollected Taxes" appropriation in the City's annual budget protects the City from taxes not paid currently. The minimum amount of the reserve, determined by the percentage of collections experienced in the preceding year, is required to provide assurance that cash collected in the current year will provide sufficient cash flow to meet expected obligations. A reserve for uncollected taxes is not established under GAAP.

Expenditures

Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when an amount is encumbered for goods or services through the issuance of a purchase order in conjunction with the encumbrance accounting system. Outstanding encumbrances at December 31st are recorded as a cash liability. Appropriations for principal payments on outstanding general capital bonds and notes are provided on the cash basis; interest on general capital indebtedness is on the cash basis. GAAP requires expenditures to be recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on long-term debt, which is recognized when due.

Compensated Absences and Post-Employment Benefits

Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a "pay as you go" basis. Likewise, no accrual is made for post-employment benefits, if any, which are also funded on a "pay as you go" basis. GAAP requires that the amount that would normally be liquidated with expendable financial resources be recorded as expenditure in the operating funds and the remaining obligations is recorded as long – term obligations.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Recent Accounting Pronouncements Not Yet Effective

In June 2012, the Governmental Accounting Standards Board (GASB) issued Statement No. 67 "Financial Reporting for Pension Plans – an amendment of GASB Statement No. 25". This statement, which is effective for fiscal periods beginning after June 15, 2013, will not have any effect on the entity's financial reporting.

In June 2012, the Governmental Accounting Standards Board (GASB) issued Statement No. 68 "Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27". This statement, which is effective for fiscal periods beginning after June 15, 2014, will not have any effect on the entity's financial reporting. However, the provisions of this statement will require significant modifications to the disclosure requirements related to the entity's proportionate share of the cost-sharing defined benefit plans reported at the State of New Jersey level.

In January 2013, the Governmental Accounting Standards Board (GASB) issued Statement No. 69 "Government Combinations and Disposals of Government Operations". This statement, which is effective for fiscal periods beginning after December 15, 2013, will not have any effect on the entity's financial reporting.

In April 2013, the Governmental Accounting Standards Board (GASB) issued Statement No. 70 "Accounting and Financial Reporting for Nonexchange Financial Guarantees". This statement, which is effective for fiscal years beginning after June 15, 2013, will not have any impact on the entity's financial statements.

In November 2013, Governmental Accounting Standards Board (GASB) issued Statement No. 71 "Pension Transition for Contributions Made Subsequent to the Measurement Date-an amendment of GASB Statement No. 68". The provisions of this statement are required to be applied simultaneously with the provisions of Statement 68 which is effective for periods beginning after June 15, 2014. However, the provisions of this statement will require significant modifications to the disclosure requirements related to the entity's proportionate share of the cost-sharing defined benefit plans reported at the State of New Jersey level.

Note 2: BUDGETARY INFORMATION

Under New Jersey State Statutes, the annual budget is required to be a balanced cash basis document. To accomplish this, the municipality is required to establish a reserve for uncollected taxes. The 2013 and 2012 statutory budgets included a reserve for uncollected taxes in the amount of \$1,485,000.00 and \$1,485,000.00. To balance the budget, the municipality is required to show a budgeted fund balance.

The amount of fund balance budgeted to balance the 2013 and 2012 statutory budgets was \$3,043,750.00 and \$2,500,000.00.

The Chief Financial Officer has the discretion of approving intra department budgetary transfers throughout the year. Inter department transfers are not permitted prior to November 1. After November 1 these transfers can be made in the form of a resolution and approved by entity City Council. The following significant budget transfers were approved in the 2013 and 2012 calendar years:

Budget Category	2013	2012

Other Expenses	19,000.00	(11,500.00)

Note 2: BUDGETARY INFORMATION - Continued

NJSA 40A:4-87 permits special items of revenue and appropriations to be inserted into the annual budget when the item has been made available by any public or private funding source and the item was not determined at the time of budget adoption. During 2013 and 2012, the following budget insertions were approved:

Budget Category	2013	2012
Recycling Tonnage Grant	\$ -	30,869.64
Clean Communities Program	83,700.91	71,290.59
New Jersey Transportation Trust	•	180,000.00
Community Development Block Grant	-	272,547.00
DOT Safe Streets	100,000.00	-
Drive Sober or Get Pulled Over	4,400.00	4,400.00

US Homeland Security-Port Security Grant	•	92,722.00
Emergency Management Grant	10,000.00	-
Pedestrian Safety Grant	-	15,000.00
FEMA - Municipal Debt Service Emergency Notes	842,000.00	
USTA - Hurricane Sandy Relief Program	20,000.00	
Sustainable Jersey 2012 Grant	•	2,000.00
New Jersey State Police - Emergency Management	-	10,000.00
Sustainable Land Use Planning Grant	<u> </u>	7,500.00
	\$ 1,075,100.91	686,329.23

The entity may make emergency appropriations, after the adoption of the budget, for a purpose which was not foreseen at the time the budget was adopted or for which adequate provision was not made therein. This type of appropriation shall be made to meet a pressing need for public expenditure to protect or promote the public health, safety, morals or welfare or to provide temporary housing or public assistance prior to the next succeeding fiscal year. Emergency appropriations, except those classified as a special emergency, must be raised in the budgets of the succeeding year. Special emergency appropriations are permitted to be raised in the budgets of the succeeding three or five years. The entity approved a special emergency appropriation in 2012 for \$3,625,000.00. The emergency was due to Hurricane Sandy. The unfunded balance as of December 31, 2013 was \$1,860.000.00. The required amount is included in the 2014 budget.

Note 3: CASH AND CASH EQUIVALENTS

Custodial Credit Risk – Deposits. Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The municipality's policy is based on New Jersey Statutes requiring cash be deposited only in New Jersey based banking institutions that participate in the New Jersey Governmental Depository Protection Act (GUDPA) or in qualified investments established in New Jersey Statutes 40A:5-15.1(a) that are treated as cash equivalents. Under the act, all demand deposits are covered by the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the municipality in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled trust funds such as salary withholdings, bail funds or fund that may pass to the municipality relative to the happening of a future condition. As of December 31, 2013 and 2012, \$0 of the municipality's bank balance of \$24,202,358.90 and \$32,398,661.59 was exposed to custodial credit risk.

Note 4: FIXED ASSETS

The following schedules are a summarization of the changes in general fixed assets for the calendar years ended December 31, 2013 and 2012:

	Balance 12/31/2011	Additions	Adjustments/ Deletions	Balance 12/31/2012

Note 6: LONG-TERM DEBT - Continued

Description of Bonds and Loans Payable

At December 31, 2013, bonds and loans payable in the General Capital Fund consisted of the following individual issues:

\$9,325,000.00 General Improvement Bonds dated December 15, 2002, due in annual installments through, 2014, bearing interest at various rates from 3.80 to 4.00% per annum. The balance remaining as of December 31, 2013 is \$950,000.00.

\$21,000,000.00 General Improvement Bonds, dated January 15, 2006, due in annual installments beginning January 15, 2007 through, 2019, bearing interest at various rates from 3.75 to 4.00% per annum. The balance remaining as of December 31, 2013 is \$11,600,000.00.

\$14,500,000.00 General Improvements Bonds dated July 15, 2008, due in annual installments beginning July 15, 2010 through July 15, 2020, bearing interest at various rates from 4.00 to 5.25% per annum. The balance remaining as of December 31, 2013 is \$11,300,000.00.

\$13,800,000.00 General Improvement Bonds dated August 15, 2010, due in annual installments through August 15, 2019, bearing interest at various rates from 3.00% to 4.00% per annum. The balance remaining as of December 31, 2013 is \$10,600,000.00.

\$7,800,000.00 Refunding Bonds, dated November 9, 2010, due in annual installments beginning September 1, 2012 through, 2016, bearing interest at various rates from 3.00% to 4.00% per annum. The balance remaining as of December 31, 2013 is \$4,770,000.00.

\$9,900,000.00 General Improvements Bonds dated December 20, 2012, due in annual installments through December 15, 2024, bearing interest at various rates from 2.00 to 4.00% per annum. The balance remaining as of December 31, 2013 is \$9,450,000.00.

\$277,576.00 Green Trust Loan dated 1994, due in semi-annual installments bearing an interest rate of 2.00%. The balance remaining as of December 31, 2013 is \$15,954.21.

\$200,000 Green Trust Loan dated 2011, due in semi-annual installments bearing an interest rate of 2.00%. The balance remaining as of December 31, 2013 is \$169,571.00.

\$200,000 Green Trust Loan (A) dated 2011, due in semi-annual installments bearing an interest rate of 2.00%. The balance remaining as of December 31, 2013 is \$169,571.00.

\$222,500 Green Trust Loan dated 2012, due in semi-annual installments bearing an interest rate of 2.00%. The balance remaining as of December 31, 2013 is \$208,280.10.

Note 7: COMPENSATED ABSENCES

The City has permitted employees to accrue unused vacation, personal, and sick time, which may be taken as time off or paid at a later date at an agreed upon rate. The monetary value of these earned and unused employee benefits has not been accrued by either charges to fund balance or to budgets of prior years, although in some cases they might be material, since the realization of this liability may be affected by conditions which preclude an employee from receiving full payment of the accrual. The City estimates this liability to approximate \$5,005,023.43 and \$4,810,506.19, as of December 31, 2013 and 2012 respectively, based on current pay rates and compensated absence balances.

NOTE 8: DEFERRED COMPENSATION ACCOUNT

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan complies with a private letter ruling of the Internal Revenue Service that requires assets of deferred compensation plans be held in Trust under the beneficial ownership of the Trustee, (City of Ocean City) serving as Trustee, for the exclusive benefit of the plan participants and their beneficiaries, and that the assets shall not be diverted to any other purpose. The plan administrators are as follows:

Mass Mutual Financial Group Nationwide Retirement System (PEBSCO)

Note 9: SCHOOL TAXES

Local District School Tax in the amounts of \$24,281,572.00 and \$24,272,584.00 have been raised for the 2013 and 2012 calendar years and remitted to the school district.

Note 10: TAXES COLLECTED IN ADVANCE

Taxes collected in advance include amounts set forth as cash liabilities in the financial statements as follows:

		Balance	Balance
		December 31,	December 31,
		2013	2012
	•		
Prepaid Taxes - Cash Liability	\$	1,943,324.22	\$ 1,857,721.75

Note 11: PENSION PLANS

Plan Descriptions

All eligible employees participate in the Public Employees' Retirement System (PERS), or the Police and Firemen's Retirement System (PFRS), which have been established by state statute and are administered by the New Jersey Division of Pensions and Benefits (Division). According to the State of New Jersey Administrative Code, all obligations of both Systems will be assumed by the State of New Jersey should the Systems terminate. The Division issues a publicly available financial report that includes the financial statements and required supplementary information for the Public Employees Retirement System and the Police and Fireman's Retirement System. These reports may be obtained by writing to the Division of Pensions and Benefits, P.O. Box 295, Trenton, New Jersey, 08625.

<u>Public Employees' Retirement System (PERS)</u> - The Public Employees' Retirement System (PERS) was established as of January 1, 1955 under the provisions of N.J.S.A. 43:15A to provide retirement, death, disability and medical benefits to certain qualified members. The PERS is a cost-sharing multiple-employer plan. Membership is mandatory for substantially all full-time employees of the State of New Jersey or any county, municipality, school district or public agency, provided the employee is not required to be a member of another state-administered retirement system or other state pension fund or local jurisdiction's pension fund.

<u>Police and Fireman's Retirement System (PFRS)</u> - The Police and Fireman's Retirement System (PFRS) was established as of July 1, 1944 under the provisions of N.J.S.A. 43:16A to provide retirement, death, and disability benefits to its members. The PFRS is a cost-sharing multiple-employer plan. Membership is mandatory for substantially all full-time county and municipal police or firemen or officer employees with police powers appointed after June 30, 1944.

<u>Defined Contribution Retirement Program (DCRP)</u> - The Defined Contribution Retirement Program (DCRP) was established July 1, 2007, under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007, and expanded under the provisions of Chapter 89, P.L. 2008. The DCRP provides eligible employees and their beneficiaries with a tax-sheltered, defined contribution retirement benefit, along with life insurance coverage and disability coverage.

Note 11: PENSION PLANS - Continued

Vesting and Benefit Provisions

The vesting and benefit provisions for PERS are set by N.J.S.A. 43:15A and 43:3B. All benefits vest after eight to ten years of service, except for medical benefits, which vest after 25 years of service. Retirement benefits for age and service are available at age 60, and under recently enacted legislation are generally determined to be 1/55 of final average salary for each year of service credit. Final average salary equals the average salary for the final three years of service prior to retirement (or highest three years' compensation, if other than the final three years). Members may seek early retirement after achieving 25 years service credit, or they may elect deferred retirement after achieving eight to ten years of service credit, in which case benefits would begin the first day of the month after the member attains normal retirement age.

The vesting and benefit provisions for PFRS are set by N.J.S.A. 43:16A and 43:3B. All benefits vest after ten years of service, except for disability benefits, which vest after four years of service. Retirement benefits for age and service are available at age 55 and generally determined to be 2% of final compensation for each year of creditable service, as defined, up to 30 years plus 1% for each year of service in excess of 30 years. Final compensation equals the compensation for the final year of service prior to retirement. Members may seek special retirement after achieving 25 years of creditable service or they may elect deferred retirement after achieving ten years of service, in which case benefits would begin at age 55 equal to 2% of final compensation for each year of service.

Newly elected or appointed officials that have an existing DCRP account, or are a member of another State-administered retirement system are immediately invested in the DCRP. For newly elected or appointed officials that do not qualify for immediate vesting in the DCRP, employee and employer contributions are held during the initial year of membership. Upon commencing the second year of DCRP membership, the member is fully invested. However, if a member is not eligible to continue in the DCRP for a second year of membership, the member may apply for a refund of the employee contributions from the DCRP, while the employer contributions will revert back to the employer.

Funding Policy

The contribution policy for PERS is set by N.J.S.A. 43:15A and requires contributions by active members and contributing employers. Plan member and employer contributions may be amended by State of New Jersey legislation. Currently the member contribution rate is 6.78% of base salary. Employers are required to contribute at an actuarially determined rate. The annual employer contribution includes funding for basic retirement allowances, cost-of-living adjustments and noncontributory death benefits.

The contribution policy for PFRS is set by N.J.S.A. 43:16A, and requires contributions by active members and contributing employers. Plan member and employer contributions may be amended by State of New Jersey legislation. Employers are required to contribute at an actuarially determined rate. The annual employer contribution includes funding for basic retirement allowances, cost-of-living adjustments and noncontributory death benefits. Currently, Members contribute at a rate of 10.0% of base salary.

For the Public Employees' Retirement System, the City's contribution was \$1,270,288.00 for 2013 and \$1,337,245.00 for the year 2012 and \$1,247,564.00 for 2011.

Three-Year Trend Information for PERS							
	Annual Percentage Net						
Funding		Pension	of APC	Pension			
Year Ended	_	Cost (APC)	Contributed	Obligation			
12/31/13	-\$-	1,270,288.00	100%	-			
12/31/12		1,337,245.00	100%	-			
12/31/11		1,247,564.00	100%	-			

Note 11: PENSION PLANS - Continued

For the Police and Firemen's Retirement System, the City's contribution was \$2,921,058.00 for 2013 and \$2,595,260.00 for 2012 and \$2,941,637.00 for 2011.

	Three-Year Trend Information for PFRS							
_	Annual Percentage Net							
	Funding		Pension	of APC	Pension			
	Year Ended		Cost (APC)	Contributed	Obligation			
_	12/31/13	\$	2,921,058.00	100%	-			
	12/31/12		2,595,260.00	100%	-			
	12/31/11		2,941,637.00	100%	-			

For the DCRP, members contribute at a uniform rate of 5.5% of their base salary. Employers are required to contribute at a set rate of 3.0% of base salary. For the Deferred Contribution Retirement Program, the City's contribution was \$12,015.66 for 2013 and \$10,000.00 for 2012.

The Lifeguard Pension provides for employee contributions of 4.00% of employees' annual compensation. The City's contributions to the Lifeguard Pension for the year ended December 31, 2013, 2012 and 2011 was \$100,000.00, \$100,000.00 and \$75,000.00. The City's trust for the Lifeguard Pension at December 31, 2013 was \$84,717.96. The benefits paid by the trust for the year ended December 31, 2013, 2012 and 2011 were \$161,384.02, \$156,530.91 and \$128,125.85.

Significant Legislation

Chapter 78, P.L. 2011, effective June 28, 2011 made various changes to the manner in which the Public Employees' Retirement System (PERS) and the Police and Firemen's Retirement System (PFRS) operate and to the benefit provisions of those systems.

Chapter 78's provisions impacting employee pension and health benefits include:

- New members of the PERS hired on or after June 28, 2011 (Tier 5 members) will need 30 years
 of creditable service and age 65 for receipt of the early retirement benefit without a reduction of ¼
 of 1% for each month that the member is under age 65.
- The eligibility age to qualify for a service retirement in the PERS is increased from age 63 to 65 for Tier 5 members.
- The annual benefit under special retirement for new PFRS members enrolled after June 28, 2011 (Tier 3 members), will be 60% instead of 65% of the member's final compensation plus 1% for each year of creditable service over 25 years but not to exceed 30 years.
- Increases in active member contribution rates. PERS active member rates increase from 5.5% of annual compensation to 6.78% plus an additional 1% phased-in over 7 years; PFRS active member rate increase from 8.5% to 10%. For fiscal year 2013, the member contribution rates increased in October 2011. The phase-in of the additional incremental member contribution rates for PERS members will take place in July of each subsequent fiscal year.
- The payment of automatic cost-of-living adjustment (COLA) additional increases to current and future retirees and beneficiaries is suspended until reactivated as permitted by this law.
- New employee contribution requirements towards the cost of employer-provided health benefit coverage. Employees are required to contribute a certain percentage of the cost of coverage. The rate of contribution is determined based on the employee's annual salary and the selected level of coverage. The increased employee contributions will be phased in over a 4-year period for those employed prior to Chapter 78's effective date with a minimum contribution required to be at least 1.5% of salary.
- In addition, this new legislation changes the method for amortizing the pension systems' unfunded accrued liability (from a level percent of pay method to a level dollar of pay).

Note 11: PENSION PLANS - Continued

Chapter 1, P.L. 2010, effective May 21, 2010, made a number of changes to the State-administered retirement systems concerning eligibility, the retirement allowance formula, the definition of compensation, the positions eligible for service credit, the non-forfeitable right to a pension, the prosecutor's part of the PERS, special retirement under the PFRS, and employer contributions to the retirement systems.

Also, Chapter 1, P.L. 2010 changed the membership eligibility criteria for new members of PERS from the amount of annual compensation to the number of hours worked weekly. Also, it returned the benefit multiplier for new members of PERS to 1/60th from 1/55th, and it provided that new members of PERS have the retirement allowance calculated using the average annual compensation for the last five years of service instead of the last three years of service. New members of PERS will no longer receive pension service credit from more than one employer. Pension service credit will be earned for the highest paid position only. For new members of the PFRS, the law capped the maximum compensation that can be used to calculate a pension from these plans at the annual wage contribution base for social security, and requires the pension to be calculated using a three year average annual compensation instead of the last year's salary. This law also closed the Prosecutors Part of the PERS to new members and repealed the law for new members that provided a non-forfeitable right to receive a pension based on the laws of the retirement system in place at the time 5 years of pension service credit is attained. The law also requires the State to make its full pension contribution, defined a 1/7th of the required amount, beginning in fiscal years 2012.

Chapter 3, P.L. 2010, effective May 21, 2010, replaced the accidental and ordinary disability retirement for new members of the PERS with disability insurance coverage similar to that provided by the State to individuals enrolled in the State's Defined Contribution Retirement Program.

Chapter 92, P.L. 2007 implemented certain recommendations contained in the December 1, 2006 report of the Joint Legislative Committee on Public Employee Benefits Reform; established a DCRP for elected and certain appointed officials, effective July 1, 2007; the new pension loan interest rate became 4.69% per year, and an \$8.00 processing fee per loan was charged, effective January 1, 2008. The legislation also removed language from existing law that permits the State Treasurer to reduce employer pension contributions needed to fund the Funds and Systems when excess assets are available.

Note 12: PROPERTY TAXES

Property valuations (assessments) are determined on true values as arrived at by a cost approach, market data approach and capitalization of net income where appropriate. Current assessments are the results of new assessments on a like basis with established comparable properties for newly assessed or purchased properties. This method assures equitable treatment to like property owners, but it often results in a divergence of the assessment ratio to true value.

Upon the filing of certified adopted budgets by the municipality, the local school district, fire districts, regional school district and the county, the rate is struck by the County Board of Taxation based on the certified amounts in each of the taxing districts for collection to fund the budgets. The statutory provisions for the assessment of property, levying of taxes and the collection thereof are set forth in N.J.S.A. 54:4 et seq. Special taxing districts are permitted in New Jersey for various special services rendered to the properties located within the special districts.

Tax bills are mailed annually in June. The taxes are due February 1st, May 1st, August 1st, and November 1st, and are adjusted to reflect the current fiscal year's total tax liability. The preliminary taxes, due February 1st and May 1st of the fiscal year, are based upon one-half of the prior year's total tax.

Note 12: PROPERTY TAXES - Continued

Tax installments not paid on or before the due date are subject to interest penalties of 8% per annum on the first \$1,500 of the delinquency and 18% per annum on any amount in excess of \$1,500. Pursuant to P.L. 1991, c. 75, the governing body may also fix a penalty to be charged to a taxpayer with a delinquency in excess of \$10,000 who fails to pay that delinquency prior to the end of the calendar year. The penalty so fixed shall not exceed 6% of the amount of the delinquency. The interest and penalties are the highest permitted under New Jersey statutes.

Delinquent taxes open for one year or more are annually included in a tax sale in accordance with New Jersey statutes.

The New Jersey statutes provide a taxpayer with remedial procedures for appealing an assessment deemed excessive. Prior to February 1 of each year, the municipality must mail to each property owner a notice of the current assessment and taxes on the property. The taxpayer has a right to petition the County Tax Board on or before April 1 for review. Due to errors or delinquencies in notices sent to property owners, the April 1 deadline to file an appeal petition may be extended. The County Board of Taxation has the authority after a hearing to decrease or reject the appeal petition. These adjustments are usually concluded within the current tax year and reductions are shown as canceled or remitted taxes for that year. If the taxpayer feels the petition was unsatisfactorily reviewed by the County Board of Taxation, appeal may be made to the Tax Court of New Jersey for further hearing. Some Tax Court appeals may take several years prior to settlement and any losses in tax collections from prior years are charged to a reserve set aside for this purpose or directly to operations.

Note 13: ECONOMIC DEPENDENCY

The City of Ocean City is economically dependent on tourism as a major source of revenue for the entity.

Note 14: FUND BALANCES APPROPRIATED

The following schedule details the amount of fund balances available at the end of each year and the amounts utilized in the subsequent year's budgets.

	Year	 Balance December 31st	Utilized in Budget of Succeeding Year	Percent Utilized
Current Fund	2013	\$ 5,811,666.28 \$	2,886,000.00	49.66%
	2012	4,638,160.96	3,043,750.00	65.62%
	2011	5,032,608.35	2,500,000.00	49.68%
	2010	5,431,336.82	2,550,000.00	46.95%
	2009	5,236,485.58	2,327,075.00	44.44%

Note 15: FEDERAL AND STATE GRANTS

In the normal course of operations, the City participates in a number of federal and state grant programs. The grant programs are subject to audit by agents of the granting authority, the purpose of which is to ensure compliance with conditions relevant to the granting of funds. Any liability for reimbursement, which may arise as a result of these audits, is not believed to be material.

Note 16: RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

Property and Liability Insurance

The City maintains commercial insurance coverage for property, liability and surety bonds. During the year ended December 31, 2013, the City did not incur claims in excess of their coverage and the amount of coverage did not significantly decrease.

Note 17: LITIGATION

The City is a defendant in several legal proceedings that are in various stages of litigation. Some of these cases could be material to the financial statements; as of the date of this report the outcome of this case cannot be determined. In all other cases it is believed that the outcome, or exposure to the City, from such litigation is either unknown or potential losses, if any would not be material to the financial statements.

Note 18: POST- RETIREMENT BENEFITS

The City offers medical, prescription drug, dental and vision coverage to eligible retirees and their dependents. This Benefit is administered directly by the City.

The actuarial valuation report was based on 260 active employees and 129 retirees. The actuarial determined valuation of these benefits has been reviewed for the purpose of estimating the present value of future benefits for active and retired employees and their dependents as required by GASB 45.

Annual OPEB Cost and Net OPEB Obligation

The City's annual OPEB cost represents the accrued cost for post-employment benefits under GASB 45. The cumulative difference between the annual OPEB cost and the benefits paid during a year will result in a net OPEB obligation. The annual OPEB cost is equal to the annual required contribution (ARC) less adjustment if a net OPEB obligation exists. The ARC is equal to the normal cost and amortization of the Unfunded Actuarial Accrued Liability (UAAL) plus interest.

Actuarial Methods and Assumptions

Actuarial valuations of an ongoing plan involve estimates and assumptions about the probability of occurrences of events fare into the future, including future employment, mortality and healthcare cost trends. Actuarially determined amounts are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

In the January 1, 2013 actuarial valuation, the projected unit credit cost method was used for all participants. The discount rate utilized is 4.5%.

Note 18: POST- RETIREMENT BENEFITS - Continued

Other Post-Employment Benefit Costs and Obligations

In the January 1, 2013 actuarial valuation, the Annual Required Contribution (ARC) for the year ending December 31, 2013 was projected as follows:

	12/31/2013
Normal Cost	\$ 2,220,000
Amortization of Unfunded Liability	5,190,000
Interest & Amortization on Normal Cost	340,000
Total ARC	\$ 7,750,000

The following reflects the components of the 2013 annual OPEB Costs, amounts paid, and changes to the net accrued OPEB obligation based on the January 1, 2013 actuarial valuation and actual OPEB payments made or accrued during 2013:

		12/31/2013
Net OPEB Obligation - Beginning of Year	\$	-
Annual OPEB Cost		7,750,000
OPEB Payments		2,120,000
Increase in Net OPEB Obligation		5,630,000
Net OPEB Obligation - End of Year	\$ <u></u>	5,630,000
Percentage of OPEB Cost Contributed	_	27.4%

Required Supplementary Information:

		12/31/2013
Actuarial Value of Plan Assets Actuarial Accrued Liability (AAL) Total Unfunded AAL (UAAL)	\$ -	- 88,400,000 88,400,000
Funded ratio Covered payroll	\$	0.00%
UAAL as a % of Covered Payroll	- =	457%

Note 19: SUBSEQUENT EVENTS

Management has reviewed and evaluated all events and transactions that occurred between December 31, 2013 and July 15, 2014 the date the financial statements were available for issuance for possible disclosure and recognition in the financial statement and no items have come to the attention of the City that would require disclosure.

CITY OF OCEAN CITY PART II GENERAL COMMENTS AND RECOMMENDATIONS FOR THE YEAR ENDED DECEMBER 31, 2013

INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and
Members of the City Council
City of Ocean City
County of Cape May, New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements – regulatory basis, as listed in the accompanying table of contents, of the City of Ocean City, State of New Jersey, as of and for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated July 15, 2014, which was adverse due to being presented in accordance with the New Jersey Regulatory Basis of Accounting. Our report disclosed that, as described in Note 1 to the financial statements, the City of Ocean City prepares its financial statements on a basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"), that demonstrates compliance with a modified accrual basis of accounting and the budget laws of the State of New Jersey.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements but not for the purpose of expressing an opinion on the effectiveness of City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

GENERAL COMMENTS

Contracts and Agreements Required to be Advertised for N.J.S.A. 40A:11-4

N.J.S.A. 40A:11-4 states, "Every contract awarded by the contracting agent for the provision or performance of any goods or services, the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the governing body of the contracting unit to the lowest responsible bidder after public advertising for bids and bidding therefor, except as is provided otherwise in this act or specifically by any other law." Effective July 1, 2010 the bid threshold is \$36,000.

The governing body of the City of Ocean City has the responsibility of determining whether the expenditures in any category will exceed the bid threshold within the fiscal year. Where question arises as to whether any contract or agreement might result in a violation of the statute, the City Counsel's opinion should be sought before a commitment is made.

Our examination of expenditures did not reveal any payments in excess of the bid threshold for the provision or performance of any goods or services, other than those where bids had been previously sought by public advertisement, awarded under state or county cooperative purchasing agreements, or awarded in compliance with other provisions of the "Local Public Contracts Law," N.J.S.A. 40A:11.

The minutes indicate that bids were sought by public advertising for the following items:

FEMA STEP Program-Emergency\Protective Measures & City Building Restoration Required due to Super Storm Sandy

Acquisition of Reconditioned 6x6 M813 Military Cargo Trucks with Metal Un-Insulated Van Bodies HVAC Improvements at City Hall & Fire Headquarters

2014 Music Pier HVAC Improvements

Maintenance of City Owned Grounds & Garden Plots

Collection of Interest on Delinquent Taxes and Assessments

The statutes provide the method for authorizing interest and the maximum rates to be charged for the nonpayment of taxes or assessments on or before the date when they would become delinquent.

The governing body adopted the following resolution authorizing interest to be charged on delinquent taxes:

BE IT RESOLVED by the City Council of the City of Ocean City, in accordance with Chapter 75, New Jersey Laws of 1991, and N.J.S.A. 54:4-67, 54:5-32, 54:5-34 and 54:5-35, which authorizes the Governing Body inter alia to fix the rate of interest to be charged, in the City of Ocean City, for the nonpayment of taxes, assessments and municipal charges, said rate of interest shall be and is hereby fixed at 8 per cent per annum on the first \$1,500 of delinquency and 18 per cent per annum on any amount in excess of \$1,500 to be calculated from the date when the taxes, assessments and charges become delinquent.

BE IT FURTHER RESOLVED by the City Council of the City of Ocean City, in accordance with N.J.S.A. 54:4-67, Chapter 75, New Jersey Laws of 1991, and Chapter 32, New Jersey Laws of 1994, which permits a 6 per cent penalty on taxes and municipal charges greater than \$10,000 as of the close of the fiscal year, that said end-of-year penalty shall be fixed for the Year 2013.

This Resolution shall take effect January 1, 2013.

It appears from an examination of the Collector's records that interest was charged in accordance with the foregoing resolution.

Delinquent Taxes and Tax Title Liens

The tax sale was held and was complete. Inspection of tax sale certificates on file revealed that all tax sale certificates were available for audit.

The following comparison is made of the number of tax title liens receivable on December 31st of the last three years:

Year	Number			
2013	6			
2012	7			
2011	5			

It is essential to good management that all means provided by the statutes be utilized to liquidate tax title liens in order to get such properties back on a tax-paying basis.

Verification of Delinquent Taxes and Other Charges

A test verification of delinquent taxes and charges as well as current payments was made in accordance with the regulations of the Division of Local Government Services, including the mailing of verification notices as follows:

Туре	Number Mailed
Payments of 2013 and 2014 Taxes Delinquent Taxes	5 5
Total	10

Comparison of Tax Levies and Collections Currently

A study of this tabulation could indicate a possible trend in future tax levies. A decrease in the percentage of current collection could be an indication of a probable increase in future tax levies.

		Currently	
		Cash	Percentage of
<u>Year</u>	Tax Levy	Collections	Collections
2013 \$	95,863,852.78	94,937,906.55	99.03%
2012	95,770,896.84	93,780,434.70	97.92%
2011	97,104,511.00	95,257,230.00	98.10%
2010	94,558,775.00	93,140,423.00	98.50%
2009	90,988,763.00	89,633,296.00	98.51%

2010	1,460.34	1,266,835.61	1,268,295.95	1.34%	
2009	1,208.50	1,212,687.00	1,213,895.50	1.33%	

Deposit of Municipal Funds

N.J.S.A. 40A:5-15 states:

"All moneys, including moneys collected by taxation, received from any source by or on behalf of any local unit or any board or department thereof shall, within 48 hours after the receipt thereof, either

- a. be paid to the officer charged with the custody of the general funds of the local unit, who shall deposit all such funds within 48 hours after the receipt thereof to the credit of the local unit in its designated legal depository, or
- b. be deposited to the credit of the local unit in its designated legal depository."

Our examination revealed that municipal funds were deposited within the mandated time.

FINDINGS AND RECOMMENDATIONS

None

CITY OF OCEAN CITY NOTES TO SCHEDULE OF FEDERAL AND STATE AWARDS YEAR ENDED DECEMBER 31, 2013

Note 1: General

The accompanying schedule of financial assistance present the activity of all federal and state financial assistance programs of the City of Ocean City. The City is defined in Note 1 to the City's financial statements – regulatory basis.

Note 2: Basis of Accounting

The accompanying schedules of financial assistance are presented using the modified accrual basis of accounting in accordance with the "Requirements of Audit" as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services. Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the City accounts for its financial transactions through separate funds, which differ from the funds required by accounting principles generally accepted in the United States of America (GAAP).

Note 3: Relationship to General-Purpose Financial Statements

Amounts reported in the accompanying schedules agree with amounts reported in the City's financial statements – regulatory basis. The financial statements – regulatory basis present the Grant Fund on a budgetary basis. The Grant Fund is presented in the accompanying schedules on the grant accounting budgetary basis which recognizes encumbrances as expenditures and also recognizes the related revenues, whereas the GAAP basis does not.

	Federal	State	Other	Total
Current Fund	\$ 1,285,567.20			1,285,567.20
Grant Fund	648,040.13	687,142.37	7,224.31	1,342,406.81
General Capital Fund	247,197.17			247,197.17
Public Assistance Fund		209,767.37		209,767.37
Total Financial Assistance	\$ 2,180,804.50	896,909.74	7,224.31	3,084,938.55

Note 4: Relationship to Federal & State Financial Reports

Amounts reported in the accompanying schedules agree with the amounts reported in the related federal and state financial reports.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS THAT HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133 & NJ OMB 04-04

The Honorable Mayor and Members of City Council City of Ocean City County of Cape May, New Jersey

Report on Compliance for Each Major Federal and State Program

We have audited Ocean City's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* and NJ OMB 04-04 that could have a direct and material effect on each of Ocean City's major federal and state programs for the year ended December 31, 2013. Ocean City's major federal and programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its Federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Ocean City's major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations and* NJ OMB 04-04. Those standards, OMB Circular A-133 and NJ OMB 04-04, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about Ocean City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination of Ocean City's compliance.

Opinion on Each Major Federal and State Program

In our opinion, Ocean City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended December 31, 2013.

Report on Internal Control Over Compliance

Management of Ocean City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Ocean City's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and state program and to test and report on internal control over compliance in accordance with OMB Circular A-133 and NJ OMB 04-04, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Ocean City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133 and NJ OMB 04-04. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards and State Assistance as Required by OMB A-133 and NJ OMB 04-04

We have audited the financial statements of the various funds and account group of Ocean City as of and for the year ended December 31, 2013, and have issued our report thereon dated July 15, 2014, which was adverse due to being presented in accordance with the New Jersey Regulatory Basis of Accounting. Our report disclosed that, as described in Note 1 to the financial statements, the City of Ocean City prepares its financial statements on a basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"), that demonstrates compliance with a modified accrual basis of accounting and the budget laws of the State of New Jersey. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of expenditures of Federal Awards and State Assistance are presented for purposes of additional analysis as required by OMB Circular A-133 and NJ OMB 04-04, and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of Federal Awards and State Assistance are fairly stated in all material respects in relation to the financial statements as a whole.
