8:00 a.m. to 4:30 p.m.

**Visit us on the Town of Georgetown's Website located at [www.georgetowndel.com](http://www.georgetowndel.com)**

Happy 2018!

Looking back on 2017, the Town of Georgetown completed many major projects. This includes improvements to both our water and wastewater infrastructure, continued construction of our new administrative offices, and the start of renovations to our existing Town Hall. Much of the construction will continue into 2018.

Your support throughout the past year has built a real sense of pride in our community and we look forward to continuing this momentum through the upcoming year.

Designation as a Delaware Downtown Development District has positioned Georgetown as a leading choice for new businesses to locate. The combination of State, County, and Town incentives continues to attract new business and offer opportunities for growth.

Planning for one of our most successful activities, our Summer Concert Series, has already begun. Started as a means to bring our community together, this has been extremely successful. Sincere thanks to all the local businesses and individuals whose sponsorship make this possible.

Efforts continue to beautify our Town, improve service delivery, and welcome new commercial and residential opportunities. I am most grateful to my fellow Council Members and our dedicated staff. Working together we are making Georgetown a great place to live, work, and enjoy life!

*Bill West*

Mayor

## **Delmarva Power Streetlight Reporting System**

Delmarva Power offers a self-service, online map tool that enables customers to report a streetlight outage or problem to Delmarva Power through its website.

To report a streetlight outage, customers should visit [www.delmarva.com](http://www.delmarva.com) and follow these steps:  
Click on "my home"  
Click on "report an outage or safety hazard"  
Click on "report streetlight outage"

The individual reporting the issue will need to provide their name and contact information, as well as either an address or the utility pole number for the affected light. There is also the opportunity to provide a message if additional detail is needed to relay important information to the company. As part of the follow up process, Delmarva Power will provide an update on the status of the reported streetlight using the email address provided.
