TOWN OFFICES CLOSED TO PUBLIC

EFFECTIVE MARCH 16, 2020

Based on recent recommendation from the State of Delaware and Delaware public health experts, the Town of Georgetown is implementing the following measures to slow the spread of Coronavirus (COVID-19):

Until further notice, Town of Georgetown buildings and offices will be closed to the general public immediately. This includes Town Hall, Town Administrative Offices, Public Works Building, and Wastewater Treatment Facility. The Town Manager, in consultation with the Mayor and Council, will evaluate continued office closures as needed, and will determine when the buildings will reopen to the public.

Town of Georgetown Police, Public Works, and Wastewater crews will continue to respond to calls. Contact non-emergency police dispatch at 302-855-2980 and after-hours utilities emergencies at 302-381-5642 (sewer) and 302-236-2647 (water). In the event of an emergency, call 9-1-1.

Georgetown residents are encouraged to use the Town's website (www.georgetowndel.com) payment portal option for making utility billing payments. Payments may also be made by US mail and the drop box located at the Town's Administrative Office.

Town staff will continue to work on site while offices remain closed to the public. If you have a question for a staff member, Town staff will be available through email and telephone at 856-7391.

Essential in-person meetings with Town staff may be arranged by appointment. Please call or email the department you need to meet with to arrange an appointment time.

If you have any questions, please contact Town Offices at 302-856-7391.
