

COMPREHENSIVE LAND USE PLAN

Successfully completed the 2020 Comprehensive Land Use Plan. The plan was Certified by Governor John Carney on June 22, 2020.

ORDINANCE 365

Successfully implemented Ordinance 365, an Ordinance amending Ocean View Code, Chapter 93, section 93-15 to clarify fees, parking and other requirements for rental properties in the Town of Ocean View.

SYSTEM PRESERVATION PLAN

Successfully implemented a System Preservation Plan to address minor drainage issues and street repair without the need to obtain bids. all work is being completed by our Municipal Maintenance Contractor.

BYCICLE SAFETY INITIATIVE

Successfully completed our first bicycle safety project with the installation of experimental green pavement marking at five key unsignalized intersections along State Route 26.

PEDESTRIAN SAFETY INITIATIVE

Coordinated an outreach effort by forming a Pedestrian Safety Committee with the other four area beach town focused on delivering a consistent safety message and approach to pedestrian safety in the area, especially along Coastal Highway and Route 26.

Successfully completed design of the first phase of sidewalks aimed at pedestrian connectivity. This phase will involve the construction of sidewalks along the east side of west Avenue for Statew Route 26 to William Avenue. The sidewalks will provide a safe path to John West Park and Town Hall.

DRAINAGE PROJECTS

Successfully complete design for drainage projects in Country Village and Country Estates.
