Bid Evaluation

Dear Mr. Cimino,

Three (3) bids were received for the above-referenced project on August 20, 2020. Two of the bids arrived after the 11:00 AM cut off time and were disqualified. The bids are as follows:

	Total
Engineers Estimate (Century Eng)	\$39,005.00
Straight Line Solutions, LLC.,	\$28,299.20
Traffic Lines, Inc.	Disqualified
Zone Striping, Inc.	Disqualified

A review of the bid has been performed and a summary is provided in the bid evaluation spreadsheet. The disqualified bids were not considered for this evaluation.

The preliminary estimate provided by Century Engineering was used for evaluation purposes. This preliminary estimate did not contain a price for item 817031 Removal of Pavement Striping. The Kercher Group estimate the cost of this item for this evaluation. Also, several items were combined in the Century Engineering estimate to provide a more precise evaluation. The bid from Straight Line Solutions contained two math errors that were corrected for this evaluation.

The unit prices for all items of work, contained in the Straight Line Solutions estimate are considered reasonable, within an acceptable price range.

I am recommending award to from Straight Line Solutions, LLC, 17865 Hudson Lane, Georgetown, DE 19947 for the sum of \$28,299.20.

Sincerely,

A handwritten signature in blue ink that reads "Michael Baiocco".

Michael Baiocco
Project Manager
