Aim for Sight is a fundraiser for the Lions Vision Research Foundation (LVRF), a 501(c).3 foundation whose primary purpose is to support low vision research and rehabilitation and to minimize the disabilities caused by low vision and blindness. The objectives of the LVRF are being met through its partnership with the Lions Vision Research and Rehabilitation Center (LVC), at the Wilmer Eye Institute of The Johns Hopkins Medical Institutions, Baltimore, Maryland.

All donations to LVRF are tax deductible but more important are the research and rehabilitation efforts this donation will support in giving hope to the blind population. For the past few years we have funded a Post-Doctorate Fellowship. These Fellows have not only conducted significant research which could have national implications but have reduced the waiting time for an appointment to the LVC to a few days or less.

Your donation will allow us to continue this outstanding effort.
