

Due to repairs to some of our sanitation units, the City of Nogales found it necessary to implement two shifts for our residential collection routes for the next three weeks, in order to provide our services to the community.

The first shift for collection services is from 6:00 a.m. to 2:00 p.m. and the second shift is from 2:00 p.m. to 8:00 p.m. Please do not remove your trash containers from curbside until after 8:00 p.m.

We have sent this information to our sanitation account customers by voice recording to the numbers we had on file for each customer.
