

Magnolia Meadows Gives Back to Talbot Hospice

Magnolia Meadows, a family community offering affordable housing in Easton, recently served lunch to the entire staff of the Talbot Hospice Foundation. The event was part of their 52 week 'Giving Back' campaign in which they donate their time and services to various community organizations. Missy Whittington, Manager and Heather Chandler, Tenant Services Coordinator explained that Magnolia Meadows residents, both adults and children, give of their time and talents to a different organization every week. Their generosity has assisted numerous organizations including the Cancer Center, the Humane Society, Veterans and VFW, local cemeteries and 4 H. Pictured above, left to right, Rev.
